January 2024 Monthly Report for ELIPOC

2436400027 – On January 4, 2024, at 0201am, ELPD units were toned and **dispatched** to a home invasion in the 500 block of Park Ln (sector 2). The caller advised dispatch that someone had entered her house and was currently trying to get into her bedroom. The call taker could hear the subject hitting the door over the phone. ELPD officers arrived and set up a perimeter around the residence. The officers could hear yelling from inside the residence. Officers could see a subject through a window approaching the front door and gave verbal commands for the subject to come out. The subject indeed opened the front door and stepped out on the porch but refused to step down/walk out to officers. Officers Beck Martin and Jordan Woodruff each had their patrol rifles displayed and pointed in the direction of the subject as they gave her verbal commands. The subject was not completely compliant but did just stand in one spot with her hands up. Ofc Chad Buike displayed his taser briefly as officers approached. Buike put his taser away and placed the subject in handcuffs. The subject was arrested for Unlawful Entry. However, she was ultimately turned over to ELFD medics due to a .285% blood alcohol content.

2436400044 – On January 3, 2024, at 0840m, Ofc Jordan Woodruff and the PEACE team were working a problem- solving kit in a business parking lot in the 1300 block of W Lake Lansing Rd related to retail frauds. Woodruff and the PEACE team noted two individuals milling around in the parking lot in a silver pick-up truck. A LEIN inquiry established that the vehicle was stolen out of Lansing. While Ofc. Woodruff was pulling in behind the vehicle and initiating a traffic stop, the PEACE team was traveling down the aisle just east of where the suspect vehicle had parked. They pulled up in front of the vehicle, perpendicular to it and facing SB. Ofc. Justan Horst was exiting the passenger side of the truck (closest to suspect vehicle) to make contact. At this time, the truck took off striking the rear passenger side of the PEACE truck – as Ofc. Horst was standing outside near the passenger door. The suspect truck just narrowly missed striking Horst. The vehicle then fled EB through the parking lot. Woodruff initiated a vehicle pursuit utilizing lights and siren. Officers Brittany Monroe and Beck Martin also joined the pursuit in separate marked patrol vehicles.

The vehicle continued through the parking lot, to SB Marfitt and then WB on to Lake Lansing Road. Officers provided traffic conditions and speed updates during the pursuit. Following the roundabout on Lake Lansing Rd, the vehicle came to a stop near Chamberlain Street. Woodruff exited his vehicle and drew his department issued handgun to perform a felony stop and began giving the driver commands. The driver, exited the vehicle and fled on foot SB. There was a short foot pursuit, by Woodruff, where he tackled the subject to the ground and had him in a 'bear hug' while the subject was actively resisting. Ofc. Woodruff gave commands to "hands behind your back" to which there was no compliance and the

subject had tucked his arms beneath his stomach and was laying on them. Monroe arrived on-foot shortly after, and tased the subject who was not complying. The subject was then given orders again to put his hands behind his back, which officers were now able to do. The subject was then taken into custody and handcuffed by Ofc. Woodruff.

A passenger remained in the vehicle. Horst and MSUPD Officer Edmondson held that subject at gunpoint, giving verbal commands to her, and then detaining her without incident. She was ID'd, interviewed, and then released to medics. There were no injuries sustained by any officers. The driver had injuries consistent with being tackled and tased – minor abrasions and probe punctures. Medics were requested to the scene for the driver. A second medic was requested for the passenger as she struck her head in the truck when the suspect hit the PEACE vehicle. After being cleared at the hospital, the driver was transported back to ELPD, where he was arraigned on a 6-count felony warrant.

2436400133 – On January 12, 2024, at 0751pm, Ingham County Central Dispatch advised ELPD officers that Dewitt Township Police Department (DTPD) was in a vehicle pursuit with a subject that had just been involved in a hit and run accident. Dispatch indicated that the vehicle DTPD was pursuing was a white cargo van going 30-50 MPH S/B US 127 from I69. Dispatch updated the vehicle had pulled to the right side of the highway on 127 S/B just south of Lake Lansing Rd. Dispatch advised the DTPD officer had the subject at gunpoint and the driver wasn't being compliant and requested units to assist. ELPD officers Kayla BeVier and Jeff Horn were **dispatched** to respond. Due to the subject fleeing and eluding as well as his uncooperativeness with verbal commands from DTPD, both officers displayed firearms (BeVier displayed rifle and Horn displayed handgun) throughout the felony stop. Eventually, the subject complied and walked back to officers and was taken into custody by DTPD without further force. Once the subject was in custody, ELPD officers cleared the scene.

suspects in the theft. Officers Colin Lemere and Chris Shadduck located two subjects matching the suspect description in the 300 block of W Grand River. Both subjects were run through LEIN. One of the subjects had Failure to Appear warrants out of multiple jurisdictions. Officer Lemere advised the subject that one of the jurisdictions wanted to lodge him on the outstanding warrant and that he was being placed under arrest. The subject then started to step away and refused to remove his hands from his pockets. The subject became belligerent and non-compliant. Officers Lemere, Cassidy, and Shadduck utilized PPCT wrist locks to get the subject's hands out of his pockets and into handcuffs. Once in the patrol vehicle, the subject started kicking the shield between the seats in the patrol car. The officers stopped at ELPD, where Officer Shadduck put ankle restraints on the subject prior to transporting him to Ingham County Jail (ICJ). The subject was lodged at ICJ on the warrants. Multiple stolen items were located on the subjects. Both subjects were cited for Retail Fraud.

Initial dispatch information indicated that the caller saw footprints in the snow and heard the front door open. The caller advised Dispatch that he believed somebody was currently in the attached garage. Upon arrival, Officer Chad Buike could see a subject inside the house through a window. The subject came out of the front door towards Buike. Buike displayed his patrol rifle in the direction of the subject, at the low ready, while asking the subject to keep his hands in view. Buike obtained verbal confirmation that the subject was the caller. Upon checking, officers did not locate anybody else in the residence, garage, or in the area.

2436400301 – On January 29, 2024, at 0530pm, ELPD units were **dispatched/toned** to a weapons complaint in the 900 block of Barclay (**sector 4**). Dispatch advised the caller could see a group of subjects with guns and knives outside of his residence. The caller indicated to dispatch that the subjects had been staying there and they were currently inside. Officers Chris Shadduck, Ryan Kuhn, and Dean Kelley were the first officers to arrive on-scene. Ofc Kelley moved to the rear of the building covering the back entrance / exit of the residence. Ofc Kuhn approached the building with his department issued patrol rifle slung and at the low ready while Ofc Shadduck approached with his department issued handgun drawn and at the low ready.

Shadduck made contact at the front door with the caller. Shadduck directed the occupants out of the residence while Kuhn held cover as the occupants exited. The three occupants, which

consisted of the caller and his grandparents, were not armed. It was determined that the caller was hallucinating and was in a mental health crisis. He was transported to Sparrow Hospital for a PRT. 2024 February Monthly Report for ELIPOC

2436400339 – On February 1, 2024, at 1012pm, ELPD units were **dispatched/toned** for priority backup to assist Lansing Township Police Department, who were struggling to secure a combative subject at Eastwood Towne Center (**Out of jurisdiction**). The initial call that LTPD responded to indicated that the subject was causing issues (including pulling the fire alarm) inside of a business. As ELPD units were responding, LTPD advised ELPD units that they could slow down but asked that they continue to assist. Prior to ELPD units arriving on-scene, LTPD officers were able to get the subject handcuffed. LTPD opted to call a medic to have the subject transported to the hospital. Even after being handcuffed, the subject remained combative with officers and medics. Officers Andy Ferguson and Jake Jones assisted LTPD only with lifting the subject onto the medic cot and holding the subject's legs so that he could not kick medics. Once the subject was strapped to the cot, ELPD officers relieved pressure and left the subject with medics.

2436400355 – On February 3, 2024, at 508pm, Ofc. Austin Nelson was patrolling EB Coleman Rd approaching Shearwater (**sector 5**), when Ofc. Nelson observed a black vehicle driving at a high rate of speed, 55 MPH in a 25 MPH zone and matched the description of a stolen car on the stolen vehicle list. Ofc. Nelson (**self-initiated**) attempted to pull over the vehicle, but the vehicle fled the area. Ofc. Nelson didn't pursue but he did request permission from the night shift supervisor to check the area for a possible crash due to the speed. Nelson located the vehicle crashed and vacant on Coleman just east of US-127.

Nelson asked for a canine and Ofc. Ben Mommersteeg and his K9 partner, Atlas, responded. The canine tracked from the car SB to an abandoned home. Officers cleared the first level of abandoned building without locating anyone. However, they noticed wet footprints on a staircase going up. Officers gave loud verbal directives up the stairs for the subjects to come down to officers. At that time, Ofc Nelson had his rifle displayed and pointed up the stairs and Ofc. Colin Lemere had his handgun displayed and pointed up the stairs. Two subjects came down willingly and were taken into custody without further force. Both subjects admitted knowing the vehicle was stolen and fleeing from officers. Because of the crash, medics were summoned to evaluate both subjects. Neither of the subjects were transported to the hospital. Both subjects were arrested for charges related to possession of the stolen vehicle and fleeing from police. They were both transported to Clinton Co Jail.

Due to ICSO utilizing many of their units as perimeter points, Ofc. Austin Nelson also responded to the call specifically to run with and provide cover for the K9 team. Once on-scene, Mommersteeg and Atlas began what turned into almost a mile long track. The tracking team located a subject hiding in tall weeds near a tree. Ofc. Nelson pointed his rifle at the subject as officers gave the subject verbal directives to lay down prone. The subject was taken into custody by ICSO and MSP without further force.

2436400428 – On February 11, 2024, at 0430am, Officers Kayla BeVier and Brennan Surman were **dispatched** to the 1700 block of East Grand River Ave (**Sector 1**) for a noise complaint on a blue vehicle in the parking lot with extremely loud music playing. Ofc. BeVier approached the vehicle and noticed a subject passed out or asleep in the driver's seat with a handgun in his lap. Ofc. BeVier unholstered and pointed her duty firearm at the subject as she identified herself as the police multiple times. Still, the subject did not wake up. Ofc. Surman approached the vehicle on the passenger side, displayed his duty handgun, and pointed it at the subject. When Ofc. Surman noticed that the subject was still sleeping, Surman holstered his handgun, opened the passenger side door, reached across, and secured the subject's handgun without further force. After the weapon was secured, Ofc. Surman administered a sternum rub to wake the subject up. Once awake, the subject was directed out of the car, where he was secured in handcuffs. The officers noticed that the subject smelled strongly of alcohol and noted a mostly empty pint of rum in the vehicle. The subject did not possess a concealed weapons permit. He was ultimately arrested and transported to ELPD jail for CCW and carrying a firearm under the influence of alcohol.

2436400483/484 – On February 15, 2024, at 958pm, Officers Brennan Surman and Kayla BeVier were **dispatched** to a business in the 200 block of E Grand River (**sector 2**) for two subjects who were currently in the business that were suspects in larceny complaint from a previous date. The manager indicated that he had provided photos of the suspects related to a larceny of a purse and phone to Detective Schwalm and indicated that the subjects were now in the bar. The manager pointed out the subjects to officers. Officers Surman and BeVier approached the subjects and attempted to identify them. The subjects immediately became confrontational and refused to identify themselves. As the bar was quite crowded and verbal de-escalation attempts were not working, the officers asked the subjects to walk out

of the bar with them. Ofc BeVier took one subject by the arm and walked him out of the bar while holding his arm. As they reached the rear exit, Sgt. Chad Stemen assisted BeVier in handcuffing the subject behind his back. They then walked that subject to the patrol vehicle. When BeVier went to open the door, the subject put his shoulder into Sgt. Stemen knocking him back a few feet. Sgt. Stemen maintained his grip on the subject's right arm and pushed him into the corner of the rear passenger patrol car door and transport partition to avoid any further active aggression. Stemen was able to then de-escalate the subject verbally. The subject got into the patrol car without further resistance or force.

Assisted by Ofc Jordan Woodruff, Ofc Surman attempted to walk the second subject out of the bar. However, that subject refused to walk. Surman and Woodruff grabbed the subject's arms and attempted to walk the subject out in escort position. The subject became dead weight and tensed up his arms. At that point, Surman and Woodruff utilized wrist locks, strength, and leverage to try to get the subject's hands behind his back for handcuffing. The subject continued to resist by pulling away and pushing officers into other patrons. Woodruff gave verbal directives for the subject to stop resisting and to get on the ground. As the subject continued to resist, Woodruff delivered 2-3 knee strikes to the subject's R common peroneal. Officer Ben Mommersteeg arrived, and three officers pressed the subject up against a table to stabilize handcuffing. Mommersteeg and Woodruff utilized shoulder locks to pull the subject's arms behind his back. Surman was able to get a handcuff on the subject's L wrist, however, the subject grabbed and held the R handcuff. Eventually, officers regained control of the R cuff and handcuffed the subject with both hands behind him. The subject was then walked out, searched, and placed into a patrol vehicle without further force.

Both subjects were transported to ELPD jail. The first subject was issued local ordinance citations for disorderly conduct (hinder/obstruct) and MIP. He remained in jail until sober. The second subject was charged with resist/obstruct police. He complained of shoulder pain. ELFD came to the jail to evaluate the subject. The subject refused transport to the hospital.

2436400511 – On February 18, 2024, at 0317am, Lt. Adam Park came across a running vehicle stopped in the roadway near Coolidge/Foxfire (**sector 4**) with the driver passed out behind the wheel. Lt. Park **self-initiated** contact by knocking on the window and using his flashlight to try to wake the driver. However, the driver initially would not wake up. When Officers Jake Jones and Brennan Surman arrived

to provide back-up, Lt. Park opened the driver's door. Although the subject woke up, he was not coherent enough to follow instructions to put his car into park. Lt Park and Ofc Jones reached into the vehicle to put the car in park/apply the emergency brake. Eventually, Lt. Park asked the subject to step out to provide field sobriety tests. The tests were stopped early for safety due to the subject's extreme intoxication. Lt. Park asked the subject to take a preliminary breath test. When the subject refused, Park advised the subject that he was being placed under arrest for OWI and directed the subject to place his hands behind him. The subject initially complied. Ofc Jones was on the subject's L side with Lt. Park on the R side. When Lt. Park went to pull his handcuffs out, the subject tried to pull away attempting to run SB. Both Jones and Park retained their grips on the subject's arms. They were able to push him to the ground in tackle form just off the roadway into the grass. Jones was able to pull the subject's L arm from under him while Park pulled the subject's R arm out. As Park did so, he realized that he was dripping blood from his nose. Officers Brennan Surman and Kayla BeVier came over to assist with handcuffing and advised Park to step out when they had control over the subject. The subject was then handcuffed, searched, and placed into a patrol car without further force. The subject was transported to ELPD jail and issued citations for OWI, Disorderly Conduct (hinder/Resist), and Driving on a Revoked License. No injury to the subject. Lt. Park struck his nose (most likely on the back of the subject's shoulder or head) during the tackle.

Dispatch updated that the vehicle exited EB on Lk Lansing Rd and pulled into the Meijer lot (**sector 4**). Dewitt Twp PD requested ELPD assistance for the felony stop. Officers Chad Buike, Jim Menser, Jeff Horn, and Jordyn Willis were dispatched and responded. Officers Buike, Menser and Willis each had their handguns out during the felony stop as two subjects were called out of the car and handcuffed. At one point, Ofc Buike transitioned to taser as other officers near him had handguns out. Once both subjects were secured and the car was cleared, all the officers holstered their weapons. March 2024 Monthly Report for ELIPOC

2436400616 – On March 2, 2024, at 0106am, ELPD units were toned and **dispatched** to the 1600 block of South Shore (**sector 4**) for a home invasion in progress. Ofc. Ben Mommersteeg was the first to arrive on-scene. As he did so, dispatch updated that the subject was inside of the apartment. Mommersteeg was met at the door by the female resident/victim, who was distraught and crying. She indicated that the male had just entered and that nobody else was in the apartment. As the victim left the apartment, Mommersteeg unholstered his duty handgun and looked up the stairs. As he did so, Mommersteeg saw the bedroom close at the top of the stairs. Mommersteeg gave commands for the subject to come out of the bedroom. When nobody came out, Mommersteeg waited for other units to arrive. Multiple officers cleared the remainder of the apartment (except the bedroom suite) finding nobody.

Officers then gave another round of announcements for the subject to come out of the bedroom suite. When he did not, officers checked the doorknob and found it locked. Officers kicked open the bedroom door open and entered. At this time, Officers Beck Martin and Brennan Surman had their handguns displayed and Sgt. James Terrill from MSUPD had his duty rifle displayed. The bedroom was empty, but officers noted the on-suite bathroom door was closed and locked. Officers again gave another round of loud verbal commands for the subject to come out. Again, he did not come out nor reply verbally. Officers then kicked in the bathroom door. Again, Martin, Surman, and Terrill entered the bathroom with their respective weapons displayed. The subject was hiding in a closet area located off the bathroom. Once located, Terrill held the subject at gun point as the subject complied with commands to put his hands up and to step out to other officers. The subject was handcuffed without further resistance or force. The subject was intoxicated. Officers discovered the subject resided in another apartment within the complex. He was transported to ELPD jail for Unlawful Entry by an Intoxicated Subject.

Multiple officers arrived and set up a perimeter around the residence. Once officers were in place, Ofc Beck Martin called the subject and spoke with him via telephone. The subject advised Ofc Martin that he was on the rear balcony and did not want to walk out to officers. Officers set up a contact team to move around back, which included Ofc Kayla BeVier with a ballistic shield and Ofc Brennan Surman with a patrol rifle. When they reached the corner of the building, officers could see the subject on his patio. Ofc Surman pointed his patrol rifle at the subject, directing the subject to place his hands in the air. 2436400658 – On March 7, 2024, at 1226am, ELPD units were toned and **dispatched** to a restaurant in the 1000 block of East Grand River Ave (**sector 1**) on a weapons complaint. A complainant advised he was threatened by a subject on the second floor of the restaurant with a pistol. The complainant had left the restaurant and was at a nearby business. Officers contacted the complainant and got a suspect description. Upon arriving at the restaurant, Sgt. Katelynn Bennett saw the subject through the window retreat to the 2nd floor bathroom. Officers asked the people inside the restaurant to go outside. They then went to the second floor and began giving verbal commands for the subject to come out to them.

During this time, Ofc. Jake Jones had a ballistic shield and his handgun out with Ofc. Brennan Surman directly behind him with a patrol rifle out. The subject complied with commands and came out of the bathroom. As he did so, Jones and Surman each pointed their firearms toward the subject he walked toward them. Ofc. Jordyn Willis and Ofc. Jordan Woodruff each also had their handguns out at the low ready. Once the subject laid out prone on the ground, Willis holstered her weapon and secured the subject in handcuffs. No firearm was found on or around the subject. The subject advised that the complainant was the one with the firearm. Officers were out with the complainant and immediately patted the complainant down. No weapons found on or around him either. A report was taken for documentation purposes. The subject in the restaurant had a probation violation warrant out of a neighboring jurisdiction and was arrested/transported to that jurisdiction.

2436400665 – On March 7, 2024, between 511pm and 720pm, ELPD officers responded (**dispatched**) to multiple calls on the same subject acting erratically near Grand River/Evergreen (**sector 3**). The subject was reported to be highly intoxicated, was hitting vehicles and business windows, and was throwing items around. On the final call, a complainant indicated that the subject was stripping and exposing his genitals to passerbys. Officers Jacey Kingsbury and Brennan Surman again contacted the subject, who was wearing only pants and shoes. Officers tried to verbally de-escalate the subject; however, the subject became more agitated eventually throwing his pop and remaining clothing items to the ground. The subject then walked away from the officers, stopping in the middle of the street directly in front of traffic.

Kingsbury, Surman, and Ofc. Beck Martin followed the subject into the street to place him under arrest for disorderly conduct. The subject placed behind his back on his own. As Surman grabbed the subject's hand for handcuffing, the subject tensed up and began actively trying to pull away. Kingsbury looped her left arm through the space between the subject's back and arms, putting his arms in a hold and pulling him into her person to prevent further resistance. Martin assisted in maintaining control while the subject was handcuffed by Surman. The subject was then walked out of the roadway to a wall near CVS to maintain control and finish double locking the handcuffs. The subject was then walked to the patrol car and asked to sit inside. The subject refused to do so while planting his feet and remaining rigid. Surman went to the opposite side of the patrol car to reach in and pull the subject towards him. Surman

did so by grabbing the subject's arms and pulling him as Martin pushed the subject on his legs and abdomen into the vehicle. The subject was lodged in ELPD jail on multiple counts of disorderly conduct.

2436400668 – On March 8, 2024, at 0121am, ELPD units were again toned and **dispatched** to a restaurant in the 1000 block of East Grand River Ave (**sector 1**) on a weapons complaint. The manager called in reporting that a male was assembling a black handgun in the upstairs dining area. The caller gave a description of the subject and indicated that the gun was on the table. ELPD officers arrived on-scene and evacuated the main floor of the restaurant.

Officers ascended the stairs in a stack, holding a shield for cover. Ofc. Beck Martin was in front with the shield and his handgun at the low ready. Officers Jordan Woodruff and Jake Jones each their rifles displayed at the low ready. As officers reached the top of the stairs, they noticed two subjects starting to come down the stairs, including the subject described by the manager. The main accused was given commands to go back up the two stairs he had come down and lie down prone on the ground. As they did this, Martin, Jones, and Woodruff all pointed their firearms at the described subject. Due to being toward the back of the stack, Surman and Willis kept their weapons at the low ready. The subject complied with commands and laid out prone. Surman escorted the second subject to the lower level of the restaurant. The described subject was handcuffed without further resistance or force. What the manager thought was a firearm was actually a handgun-shaped lighter. The described subject had an outstanding warrant out of a neighboring jurisdiction. That jurisdiction requested that the subject be advised and released on the warrant. During a consent search of his bag, officers located suspected heroin. Following lab results, a warrant request will be sent to ICPO.

The second subject advised officers that he had swallowed drugs and that he had also shot up in the bathroom. That subject was turned over to ELFD medics and Sparrow Hospital for treatment.

2436400865 – On March 7, 2024, at 0720pm, ELPD units were toned and **dispatched** to a home invasion in progress at an apartment in the 900 block of E. Grand River Ave (**sector 1**). Upon arrival, officers contacted the resident outside of the apartment, who indicated that she believed someone was inside of her apartment due to hearing a door slam. Officers gave multiple loud verbal announcements before entering to clear the residence. The resident remained outside while officers Austin Nelson, Jordyn Willis, Beck Martin, Jake Jones, and Brennan Surman entered the apartment and began slowly clearing from room to room. When they reached the last room at the end of the hallway, Ofc. Martin was on the left side of the door frame, and Ofc. Nelson was on the right side, with Ofc. Surman. Nelson had his service pistol in his strong hand (right) initially. Due to the direction that the door opened, he transferred it to his support hand (left). He did this so when the door opened, he could move right and have more concealment making entry into the room. Ofc. Martin opened the door, which swung to the right. At that point, Nelson took his right hand off my service pistol to push the door all the way open. It was at this time that Nelson unintentionally discharged one round from his pistol while it was facing towards the right side of the bed in the bedroom. No one was in the immediate area where his muzzle was facing. Everyone remained calm during the accidental discharge. Officers then cleared the rest of the room and apartment, locating nobody. The round fired struck clothing items on the floor next to the bed. Nelson immediately notified the on-duty supervisor and reported the unintentional discharge. Police administration was notified.

2436400706 – On March 12, 2024, at 110pm, East Lansing Public Library staff contacted SW Hannah Peterson about unresponsive/lethargic teens in the teen room (**sector 2**). SW Peterson and Ofc. Ryan Kuhn (**self-initiated**) went to check on the subjects. One male of the group was difficult to wake and minimally responsive to Ofc. Kuhn's sternum rub. Medics were called and arrived to evaluate the subject. The subject's eyes were rolling back at some points, as well as showing nystagmus. The subject would not provide contact info for a guardian and did not get in touch with one. Medics advised he needed to go to the hospital. The subject refused to move or cooperate with medics. Assisted by Sgt. Jeremy Hamilton, Ofc. Kuhn lifted the subject and escorted him out to the ambulance. He was jerking away, bracing himself on the ground, and tensing his arms. At one point, the subject braced himself on the ambulance then dropped himself to the ground. Ofc. Kuhn and Sgt. Hamilton held onto his arms/back/shoulders to stop him from pulling away. Both officers, along with medics, lifted the subject onto the cot, buckled him in, and lifted/held his arms and legs at multiple points while doing so. The subject was transported to Sparrow Hospital by ELFD medics.

2436400709 – On March 12, 2024, at 430pm, SW Taylor Knickerbocker requested ELPD Officers Ryan Kuhn and Chris Shaddock along with Sgt. Jeremy Hamilton assist her in the 1900 block of Wembley Way (**sector 4**) on a subject with a court-ordered PRT, whom she believed would be resistive. SW

Knickerbocker had the signed/authorized PRT in-hand and knew he was on-scene. When the officers arrived, the subject was verbally aggressive and then closed himself in his bedroom. Officers opened the door and contacted the subject. Sgt. Hamilton and Ofc. Shadduck had tasers at their sides but did not point at him. Officer Kuhn attempted to verbally de-escalate the subject. However, the subject refused to get up from the bed and would not stop smoking. Officers Kuhn and Shadduck grabbed hold of the subject's arms, which allowed officers to get the subject secured in handcuffs. The subject refused to walk down the stairs. For that reason, Kuhn and Shadduck carried the subject by his arms while Hamilton carried his legs. Once medics arrived, officers assisted ELFD in securing the subject to the cot. The subject was then transported by medics to Sparrow Hospital. He was uncuffed at the hospital.

On 3-13-24 at approximately 1230am, ELPD officers were **dispatched** back to Wembley Way due to the subject returning to the house. As the subject was transported to Sparrow by ELFD 7 hrs prior, the family was concerned that the subject left the hospital without authorization. Officer Monroe contacted Sparrow to check on how the subject left with the court order in place. Sparrow staff advised that a court order wasn't in his file. Officers asked the subject to see his discharge paperwork and the subject either could not or would not display his paperwork. The subject retreated to his bedroom. Officers spent over 30 minutes trying to talk to the subject about the court order and getting him to go to the hospital willingly. When the subject still refused to come out, officers went into to get the subject. Ofc. Jim Menser initially had his taser out at the low ready but put it away upon entering the bedroom. Officers Jim Menser and Beck Martin grabbed onto the subject's arms attempting to put the subject in protective custody. Martin was able to get one cuff on the subject. However, the subject pulled his arm away. Sgt. Young was able to use strength and leverage to get the subject's right arm under control while Menser and Martin were able to gain control of the subject's left arm and complete handcuffing. Once the subject was secured, officers and medics used ELFD's people mover to carry the subject down the stairs and placed on ELFD's cot. The subject was transported by ELFD back to Sparrow Hospital. No social worker was on duty for the second trip to the house.

2436400716 – On March 13, 2024, at 0828am, Officers Staci Kole and Kirsten Wright were **dispatched** to the 1500 block of E Lansing Dr (**sector 1**) for an intoxicated subject who the caller was concerned may walk into the roadway. Officers arrived and located the subject. The subject was stumbling, mumbling, had dilated pupils, and was not making sense. The subject admitted to being intoxicated. The subject made comments about walking into the road. Officers requested ELFD respond. While waiting, the subject tried to walk away from the officers. Due to their concern for her safety and that she may walk into Saginaw Hwy, Kole and Wright grabbed onto her arms to stop her. In total, the subject tried to walk away twice as they were waiting for the medics. As the medics arrived, the subject tried to walk away again. Officers again grabbed onto her arms to handcuff her. This time, the subject continued to resist and pull away from officers. The officers lowered her to the ground where they were able to get her handcuffed. The subject refused to get on the medic's cot. Officers Kole and Wright picked her up with assistance from the medics and got her secured to the cot. She was transported to Sparrow for a PRT. At the time of this incident, the SW was not available as she was in a meeting outside of East Lansing.

2436400766 – On March 16, 2024, at 1247pm, Officer Kirsten Wright was **dispatched** to the 3400 block of Beaumont Park Dr (**sector 5**) for a suspicious vehicle complaint. Dispatch initially advised there was a black Subaru with Utah plates parked diagonally in the back corner of the lot. They also advised the car had been there for six weeks, noted the doors were open, and that no one had been seen with it. Dispatch also noted there were notes taped to the car, and clothes thrown all around. Upon arrival, Wright spoke with a resident at the nearby apartment, who indicated the subject that owned that vehicle had mental health issues. The neighbor further advised that the owner also resided in the complex but spent large amounts of time outside in the woods or near a hut of sticks that the subject built along side a culvert in the field S of the complex. Wright asked Sgt. Jeremy Hamilton to assist her on the call. When Sgt. Hamilton got to the area, the officers could see the subject standing out by the culvert with his dog. The officers walked through the field towards the culvert. Ofc. Wright called out to the subject asking if she could speak with him.

When the officers were approx. 50 yards away, the subject took an aggressive stance with his fists balled up, reached up and pulled his shirt off, and then charged at the officers in a full sprint with the dog at his side unleashed. As the subject and his dog were running at officers, the subject was growling and yelling. Wright began yelling for the subject to stop running at her and to collect the dog. However, the subject ran directly at Wright clearly in full attack mode. Wright was able to sidestep the subject and deploy her taser. The probes struck the subject and he dropped to the ground. However, the taser wires ripped. The subject continued growling and yelling while the dog charged at both officers aggressively. The subject began crawling and eventually stood up rushing towards Sgt. Hamilton. Sgt. Hamilton deployed his taser as the subject attacked him but was uncertain if the probes broke the subject's skin. The subject continued charging Sgt. Hamilton as the taser cycled, and it did not appear to be giving effective neuromuscular incapacitation. Ultimately, the subject knocked Sgt. Hamilton back into the culvert. Sgt. Hamilton was able to get to his feet and the subject again pushed him to the ground. The subject began walking around while staring at the officers as the dog ran towards the officers barking aggressively. The officers called for priority back-up. During this time, Ofc. Wright was attempting to talk to the subject assuring him that they were there to help.

After walking around for a few moments, the subject got down on his knees and put his hands behind his back as though he was surrendering. The dog continued to circle the officers at this time. Sgt. Hamilton grabbed onto the subject's left wrist and placed one of the handcuffs on. Ofc. Wright then grabbed onto the subject's right wrist to assist with handcuffing. At this time, the subject began to tense up and would not allow police to put his right wrist into handcuffs. At this time, the subject began to full on fight, using his right arm to push up from the ground. Both officers continually told the subject to stop. As officers grappled with the subject on the ground, he bit Sgt. Hamilton on the hand. The subject then grabbed onto to Ofc. Wright's right hand and fed it into his mouth. He bit down on her Wright's ring and pinkie fingers as blood poured out of his mouth. Sgt. Hamilton tried to utilize knee strikes to get the subject to release the bite but that did not work. During this time, Wright was screaming out in pain.

Officer Ken Smith showed up on scene during this ground fight. As he was trying to get around the culvert to aid the other officers, the dog charged him. As the dog got within a few feet of Smith, Smith fired one shot from his handgun towards the dog. Smith did not hit the dog, but it immediately turned and retreated. Smith ran over to Hamilton and Wright. Hamilton pointed out an open spot on the subject's back and directed Smith to tase the subject. Smith deployed his taser on the subject, following up with a drive-stun. The taser hit was successful and the subject finally released Wright's hand from his mouth.

In total, the subject bit Wright's fingers for a total of 31 seconds before releasing. Sgt. Hamilton and Officer Smith then held the subject at taser point on the ground until further backup arrived to assist with handcuffing. Once other officers arrived, the subject lay on his stomach and placed both hands behind his back and was fully handcuffed without further resistance.

Officer Wright was transported to Sparrow by medics for her hand injury. Sgt. Hamilton went to urgent care for a knee injury, shoulder injury, and a bite to his hand. The subject was transported to Sparrow due to the taser strikes and for evaluation. Once released, he was taken to Clinton County Jail on felony assault charges. No social worker was on duty.

2436400770 – On 03/16/2024 at 11:49pm, ELPD officers were **dispatched** to the 400 Block of MAC Ave (**sector 2**) reference a male trying to force himself into homes and starting fights with people on the streets. That subject was located and moved along by officers. Minutes later at 12:02am, Ingham County 911 received another call in the 400 Block of MAC Ave reference a male screaming and threatening

people. The call taker could hear yelling over the phone. The caller indicated that the accused was intoxicated and had intentionally hit his head on a traffic sign and was banging on doors. Officers Kayla BeVier and Jim Menser were the first to arrive back on scene and were flagged down by the subject's friends who indicated that the subject was intoxicated and out of control. The subject was not making sense when he spoke/slurred his speech, was in an agitated state, and could not walk or stand without stumbling. The subject had blood on his face. Officers tried explaining that they wanted to check his injuries, but he would not let them approach. The subject then fell into a fence along the 300 block of MAC Ave and almost brought the fence down. He continued straddling the fence, falling into it, and falling onto the ground and rolling around. He eventually made it back to his feet and continued trying to walk away westbound on Linden St.

Due to the subject's intoxicated state and present danger to the property of others paired with the multiple calls for service in reference to his behavior, officers decided to detain him. The subject then lunged for a wooden street post and wrapped his arms around it while disobeying officers' directives to stop and to sit down. It was determined that for the safety of everyone, he was going to be placed on the ground and detained in handcuffs. Officers grabbed ahold of the subject's arms to gain control of his movements. Officer Jim Menser was then able to utilize a leg sweep from behind to guide the subject to the ground in the adjacent grass. Due to the subject's size and intoxication level, it took multiple officers (Jake Jones, Staci Kole, and Jacey Kingsbury) to gain control of his hands. Using two sets of handcuffs, Officers were eventually able to secure the subject. Even after being secured, the subject was trying to kick his feet. Using body weight and hands, Officers Menser and Kayla BeVier secured the subject's feet to prevent him from standing up and kicking at/injuring officers. The subject was transported to Sparrow Hospital for his head injury (sustained prior to ELPD arrival) and intoxication level. Once there, he was turned over to Sparrow staff. The subject was issued a citation for disorderly conduct. No social worker was on duty at the time of this call.

2436400772 – On March 17, 2024, at 0205am, Officers Staci Kole and Jake Jones were partnered on routine patrol near Albert and Grove (**sector 2**) when they observed two subjects physically fighting. They exited their vehicle to stop the assaultive behavior (**self-initiated**) and one suspect ran away. Jones pursued one of the disorderly fighting suspects on foot. As Jones was chasing the subject, Jones pulled out his taser while giving the subject repeated commands to stop running. As the subject reached Abbot Rd, he lost his balance while turning and started to fall. Jones pushed the subject the rest of the way to the ground using his hands and leverage, and then handcuffed the suspect. Once on the

ground, the subject was compliant with handcuffing. The subject was lodged at ELPD jail until sober on disorderly conduct charges.

2436400821 – On March 22, 2024, at 0145am, Ofc. Kayla BeVier **self-initiated** a traffic stop near Grand River and Michigan Avenue (**sector 3**) for a vehicle weaving between the lanes. BeVier asked the driver if he had any weapons in the car, and he said no. BeVier collected the subject's driver's license. When the driver opened the glovebox to gather his registration and insurance, he moved a stack of paperwork. Under the paperwork, BeVier observed a dark colored handgun with the barrel facing towards the passenger side door. Ofc. BeVier drew her duty issued handgun and directed the driver to keep his hands up. The driver immediately stated it was not real but rather a BB gun. When other officers arrived, BeVier had the driver exit the vehicle and secured him in handcuffs. Once it was confirmed that there were no real firearms in the vehicle, the handcuffs were removed. 2436400843 – On March 23, 2024, at 604pm, ELPD units were **dispatched** to back Lansing Township Police Department officers near the intersection of Woodruff and Homer (**outside of jurisdiction**) on a complaint of shots fired into a residence. While enroute, dispatch updated that there were continuous calls coming in reporting more gunfire in the area. The accused was seen running into a building in the area. Ofc. Andy Ferguson had his department issued rifle out as he checked nearby parking lots for any victims. While checking the lot, a female exited her apartment out onto the balcony quickly above where officers were checking. Ofc. Ferguson pointed his rifle at the female. Once it was determined she was unarmed and not involved, Ferguson lowered his rifle and moved on.

2436400852 – On March 24, 2024, at 0412am, ELPD officers were **dispatched** to a dorm in the 600 block of W Circle (**outside of jurisdiction**) to assist MSUPD on a check subject call. The caller advised their roommate was drinking and smoking MJ and then began hallucinating. Prior to locking himself in the room, the subject had a golf club that he was trying to use as a weapon. Once on scene, a contact team was formed. Ofc. Jake Jones was at the front with the shield. MSUPD made verbal contact with the subject, who said something about wanting to die. MSUPD Officer Edmondson tried to get the subject to continue talking. When he ceased responding, the decision was made to enter the room to check the subject's welfare. Upon entering the room, Ofc. Jones observed the subject standing in the corner actively slicing his throat with a large piece of glass. Jones verbalized his observations and shouted "taser" three times before deploying his taser on the subject. Since the subject was armed with a sharp

object and actively harming himself, Jones held down the trigger of the taser for nine seconds until other officers could get to the subject and remove the sharp object from his hands. Once officers had the subject under control, they immediately began to treat the large laceration to his throat which was bleeding profusely. Officers rendered medical aid until ELFD medics arrived on scene and took over treatment. The subject was ultimately transported to Sparrow Hospital.

2436400915 – On March 31, 2024, at 0132am, Officers Jeff Horn and Kayla BeVier were downtown near Albert and MAC (**sector 2**) dealing with a 17 YO intoxicated subject and were waiting for medics to come transport. During that time, dispatch received a call from an assault victim and directed her to BeVier and Horn's location for assistance. The subject approached Horn and BeVier. It was immediately evident to the officers that the subject was intoxicated, very distraught, and bleeding from the nose. As officers tried speaking with the subject to ascertain what took place and to calm her down, the subject escalated yelling at officers that she was going to die while walking into their personal space. Officer Horn extended his hand to prevent the subject from coming within inches of him. At that point, she reached out and slapped Horn's hand. Horn ignored the first slap and continued to try to speak with and de-escalate the subject. The subject continued to yell, became even more boisterous, and advanced on Horn again. He stuck his hand out in front of him again to keep her from coming too close. Again, she slapped his hand hard. De-escalation efforts went on for several more minutes trying to get the subject to allow medics to evaluate her. However, the subject continued yelling and advancing on officers. Despite warnings, the subject advanced on Horn a third time and again slapped his hand as he tried to keep her out of his personal space. At this point in time, BeVier grabbed the subject's right arm and walked her to a nearby pillar. Once the subject was up against the pillar, BeVier placed her left leg between the subject's legs and used her body weight to prevent the subject from moving away from the pillar and attempting to assault officers again. Officer Jim Menser moved in and grabbed the subject's left arm pulling it behind her so that BeVier could place handcuffs on the subject. Once handcuffed, the subject was turned over to ELFD medics for transport to Sparrow Hospital. The handcuffs were removed at Sparrow. The subject was issued a citation for disorderly conduct. 2436400962 – On April 5, 2024, at 330pm, ELPD officers were toned and **dispatched** to a weapons complaint in the 1700 block of Haslett Rd (**sector 1**). Dispatch advised officers that the caller was threatened by a subject with a knife, and that the caller had seen the knife. Dispatch provided a suspect description to officers. Officer Ken Smith located a subject matching the suspect description standing at the bus stop on the north side of Haslett Rd. Smith unholstered his service pistol and kept it at the low ready while he communicated with the subject and waited for back up to arrive. Smith gave the subject commands to lie down prone on his stomach with his hands out. The subject was calm and compliant. Once other units arrived on the scene and the suspect was secured, Smith holstered his pistol. Officers investigated and concluded that the caller was never threatened and there was no knife displayed. Charges are being sought through the EL City Attorney's against the caller for Biased Crime Reporting (Ordinance 22-36a).

Dispatch updated that the caller had been assaulted by her ex-boyfriend and that he had stolen her wallet. Multiple officers arrived on scene and contacted the caller. She advised officers that the suspect came into her place of employment, climbed over the counter, grabbed her purse, and punched her in the face and ribs several times before leaving the business with her purse. She stated that she believed the subject to be under the influence of narcotics and provided a description. Sgt. Jeff Thomas began checking the area around the business and located the subject attempting to conceal himself behind the dumpsters. Sgt. Thomas activated his taser and pointed it at the subject while giving him commands to come out of his hiding spot with his hands in view. Ofc. Jake Jones came over to assist Thomas and pointed his duty pistol at the subject as he was coming out towards officers. The subject followed the directives given by officers. Sgt. 2436401042 – On April 12, 2024, at 1135pm, PEACE Det. Jordan Woodruff observed a handgun in a parked, unoccupied vehicle in the City Hall west lot in the 400 block of Abbot. Subsequently, officers ran the car through LEIN and learned that the registered owner did not have a CPL and additionally that the vehicle was uninsured. Woodruff watched the vehicle until 0150am when three subjects returned to the car. Shortly thereafter, Ofc. Jordyn Willis **self-initiated** a traffic stop on that vehicle near Albert and Abbot (**sector 2**). Willis and PEACE Sgt. James Terrill (MSUPD) contacted the driver, and Ofc. Andy Ferguson contacted the front passenger. Woodruff assisted on the passenger side rear. While Sgt. Terrill requested the driver and vehicle information, no one in the vehicle indicated they had a CPL or a firearm on them. Due to Woodruff's observations that did not stop, he knew in fact there was a firearm in the vehicle. Sgt. Terrill instructed the driver out, and Woodruff gave commands to the front and rear passenger to place their hands on seat & dashboard in front of them. Both complied.

Ferguson instructed the front passenger out of the vehicle. That subject was cooperative and patted down for weapons. Sgt. Terrill and Woodruff then instructed the rear passenger out of the vehicle and to keep his hands up. However, that subject stepped out and began running EB Albert from the traffic stop. Sgt. Terrill attempted to grab onto him, however the subject was able to break free and continued to run EB Albert. Woodruff called out on the radio that they were in foot pursuit EB approaching Grove. Woodruff observed the subject pinning his right arm near his waistband area. This behavior is consistent with armed offenders who are trying to conceal a firearm. Woodruff put this info out on the radio as well in fear that the subject would attempt to use it on officers or other patrons in the busy downtown bar area. Sgt. Chad Stemen deployed his taser at the suspect but did not achieve a successful deployment. The subject continued to run EB and turned SB MAC. He then tripped and went to the ground. At this point, Ofc. Colin Lemere removed his duty weapon from his holster and pointed it at the subject while giving the subject verbal commands to show his hands. The subject got back up and continued running SB. Stemen was able to grab on to the subject. Lemere holstered his handgun and assisted Stemen in pulling the subject to the ground.

While on the ground, multiple officers were there to assist in securing him. Woodruff handcuffed him behind the back. Sgt. Terrill was on his R leg and stated he felt a firearm in his pant leg. Due to the firearm not having a holster, and unknown if there was a round in the chamber, officers made the

decision to cut the subject's tight jeans off from the waist to recover the firearm. Woodruff removed his sheers and cut from his waist to just below his R buttock where Woodruff observed the handle and magazine of a black handgun, consistent with the firearm he observed in the vehicle. The unholstered firearm was removed. Sgt. Terrill removed the magazine and locked the slide to the rear. There was one round in the chamber, and 12 rounds in the magazine. The subject was transported to ELPD jail, where he was held on CCW/Resisting charges.

Colin Lemere observed one of the suspects walking near Cascade Blvd south of Michigan Ave behind an apartment complex. As Ofc. Lemere pulled up to attempt contact with the subject to the west of the Old Bag of Nails Pub, the subject fled on foot WB down a stairway into the parking lot behind an apartment complex. Ofc. Lemere gave chase, giving the suspect commands to stop and identifying himself as the police. Ofc. Lemere unholstered his taser as he was catching up to the subject, telling the subject to stop or he would get tased. The subject surrendered as Ofc. Lemere held him at taser point and gave commands. The suspect was compliant at this point and secured with no further resistance or force. Ofc. Jacey Kingsbury was Ofc. Lemere's shadow FTO and was involved in the foot chase. Once the subject was proned out, Lemere handed his taser to Kingsbury who then held non-lethal cover while Lemere went to assist in handcuffing. The subject continued to do martial arts movements while entering the personal space of officers. Ofc. Ferguson asked the subject to "stay away from us if you're going to do that, please". The subject immediately turned towards Ferguson, clenched his fists, and walked in Ferguson's direction. Ferguson began to back up but quickly realized that the subject was forcing him to back into the road on Albert Ave. When Ferguson could not retreat further and the subject was very close to him, Ferguson pushed the subject in his upper chest causing him to fall backwards onto the ground. The subject was placed in

handcuffs and taken to ELPD jail without further incident. The subject had two outstanding bench warrants and was issued a citation for disorderly conduct.

2436401052 – On April 14, 2024, at 0150am, Ofc. Logan Wainman and Ofc. Jeff Horn (FTO shadow) were on routine patrol in the area of Albert and Grove (**sector 2**) when they noticed a large crowd forming and heard raised voices. As Wainman and Horn went to investigate (**self-initiated**), they saw a subject standing over another male in the middle of the street punching him with closed fists. Horn ran toward the subject who was throwing punches while calling out to identify himself as a police officer. That subject first attempted to swing at Horn before turning and attempting to pull away. Horn tackled the subject to the ground. Once on the ground, Wainman came over and helped Horn pull the subject's hands behind his back for handcuffing.

As Horn and Wainman were handcuffing and searching the first subject on the ground, a second subject approached Horn and Wainman and even bent right over the top of them. Horn and Wainman ordered the subject to back up. The subject initially retreated but returned several seconds later approaching the officers and the subject still on the ground. Horn again directed the subject to back up or he would be placed under arrest. When the subject refused to back up, Sgt. Katelyn Bennett walked over and grabbed on to the second subject's arm. Bennett pushed the subject away from Horn and Wainman while telling him that he was under arrest. The subject tensed and began trying to pull his arm away. Horn came over and assisted Bennett in stabilizing the second subject against a building while pulling his arms behind him for handcuffing. Both subjects were transported to ELPD jail for disorderly conduct, where they were lodged until sober. Neither subject sustained an injury from the arrests. Subject 1 had minor abrasions to his hand from the fight. Ofc. Wainman sustained an abrasion with moderate bleeding from scraping her knee on the pavement while securing the first subject.

2436401053 – On April 14, 2024, at 0212am, Ofc. Jim Menser and Ofc. Kayla BeVier called out that they were checking a group of subjects fighting on the W sidewalk of Abbot / Linden Rd (**sector 3**). The officers (**self-initiated**) turned on their overhead lights and went to contact the subjects. At that time, one combatant fled NB on Abbot before turning WB and hopping a fence in the 400 block of Abbot. Officers Menser and BeVier exited their vehicle, identified themselves as the police and gave commands to the subject to stop. The suspect did not obey and continued fleeing NB and then WB into backyards of residences on Evergreen. Ofc. Andy Ferguson was in the area assisting and saw the subject run into the

parking lot of an apartment complex. Ofc. Ferguson chased the subject into the parking lot, where he lost sight of the suspect. Ferguson unholstered his taser and searched along a fence line on the side of the lot. Ferguson located the subject hiding behind the fence in thick brush.

Ferguson pointed his taser at the subject while giving loud verbal commands for him to come out with his hands in view. Ofc. Jacey Kingsbury came over to assist. She unholstered her patrol handgun and held it at the low ready until the subject was secured in handcuffs. The subject was handcuffed without further resistance or force. 2436401066 – On April 15, 2024, at 0300am, ELPD units were **dispatched** to the 1500 block of Wintercrest (**sector 4**) for a subject breaking into vehicles. The caller stated there was a male in a grey sweatshirt in the parking lot breaking into vehicles and that they heard glass break. Upon arriving to the area, Ofc. Andy Ferguson got out on foot. As Ferguson approached the SE most part of the parking lot on Wintercrest on foot, he noticed a male in a grey sweatshirt standing in the lot by several vehicles. At this time due to the nature of the call and time of day, Ferguson pointed his department issued handgun in the direction of the subject. He gave verbal commands for the subject to get on the ground. The subject complied and was placed in handcuffs with no further force. At that point, Ferguson holstered his handgun. Officers checked the area and did not locate any vehicles that had been broken into. The subject stated he was working on scrap parts in the back of his pick-up truck in the lot and that he was a resident of a nearby apartment. Officers concluded that no crime had been committed. A report was taken for documentation purposes.

2436401129 – On April 21, 2024, at 0128am, ELPD units were **dispatched to** assist Lansing Police on a weapons complaint at a bar in the 400 block of Michigan in Lansing (**OOJ**). Dispatch advised that there was a male in the bathroom of the bar with a handgun and that LPD requested mutual aid. While enroute, dispatch updated that the male was alone in the bathroom banging the gun against a wall. Officers Jordan Woodruff, Justan Horst, Chad Buike, and Jake Jones responded to assist. Officer Jordan Woodruff assisted in the bar where several LPD officers were calling to the subject inside the restroom directing him to come out. Ofc. Woodruff unholstered his duty issued firearm and held it at the low ready. LPD Officers began giving commands and the suspect exited the bathroom. The subject was uncooperative with their commands. The suspect dropped a handgun at his feet. He was given loud verbal commands to not touch the handgun he had dropped. The suspect did not comply with commands. Rather he bent down and picked up the handgun before running EB out the door towards the former "Dukes Saloon". As the subject fled, he ran directly towards Officers Jones and Buike, who were in a hallway between the two bars. Buike pointed his patrol rifle and Jones pointed his duty handgun at the subject while giving verbal commands for the subject to stop. The subject ignored verbal commands and ran through Duke's out towards Cedar St. Jones holstered his handgun and joined several

LPD officers in chasing the subject on foot. Two LPD officers caught the subject and took him to the ground in an adjacent parking lot. As the two officers were struggling to get the subject secured, Jones displayed his taser in case the subject began to fight with officers. 2436401159 – On April 22, 2024, at 607pm, ELPD units were **dispatched** to a weapons complaint near Lake Lansing and Coolidge (**sector 4**). Dispatch advised that the caller saw a group of three juvenile males walking down the sidewalk and that one of the subjects was waving a handgun. Dispatch relayed a description of the subjects. As officers arrived in the area, Officer Jake Jones noticed the described subjects entering a CATA bus in the Meijer lot. Officer Jones and Officer Ben Mommersteeg initiated a traffic stop on the bus. Officers Jones and Mommersteeg entered the bus through the rear door and noted the three described juveniles sitting in a group of five total juveniles. Mommersteeg and Jones took time to get the other riders sitting by the juveniles moved to the front of the bus. Officer Mommersteeg had his handgun at the low ready as he calmly began calling the juveniles to walk toward them one by one. Each juvenile was secured in handcuffs and moved off the bus. Officer Jim Menser also entered the bus assisting Mommersteeg. As Mommersteeg needed to holster his handgun to handcuff some of the subjects, Menser unholstered his handgun and held it at the low ready. Once all the juveniles were secured, both officers holstered their handguns. A replica Glock bb gun was located on one of the subjects. Dispatch advised they had a caller reporting a male was in the parking lot behind the business holding an automatic gun. The gun was described to be

a medium sized rifle and pointed towards the ground. The subject was last seen wearing a grey sweatshirt leaning against a black SUV. Due to the nature of the call, multiple East Lansing officers, including detectives and administrators, responded to the area. As officers approached, five subjects were standing next to the described SUV. At that time, Officer Ken Smith, Detective Jason Cotton, and Detective Andy Stephenson each had their patrol rifles slung at the low ready. Officers called out to the subjects and directed them to step away from the vehicle and to keep their hands up. The subjects explained that the weapons seen were Orbeez guns (guns that shoot colorful, gel beads). 2436401189 – On April 25, 2024, at 1100am, Officers Staci Kole and Officer Logan Wainman were doubled up as a training unit (FTO) in a fully marked patrol vehicle. At that time, they came across a vehicle disabled in the roadway impeding traffic near Burcham/Park Lake (**sector 1**) impeding traffic. Dispatch advised Kole and Wainman that two passerbys called in the vehicle as a hit and run accident. One caller stated the driver was slurring his words and appeared to be intoxicated. Officers **self-initiated** contact with the subject standing next to the vehicle. As they spoke to him, he indicated that he ran out of gas. The officers confirmed that the subject did not have a valid license. The officers also noted that the subject smelled of intoxicants, had slurred speech, and was slow to respond to questions. When Officer Kole asked the subject to perform field sobriety tasks, the subject changed his story and claimed an unknown male was driving the car and fled the scene because he was drunk. The subject became agitated as he began to yell and slap his hands together. Officer Kole directed the subject to place his hands behind his back as she was placing him under arrest. The subject initially complied. As Kole went to apply handcuffs, the subject tensed up. Wainman used her right arm to weave between the subject's arms and back to stabilize his arms for handcuffing. The subject was handcuffed and transported to ELPD jail without further force. The subject was cited for OWI and driving without a license. He remained at ELPD jail until sober.

2436401218 – On April 27, 2024, at 1241am, Lt. Adam Park and Sgt. Travis Bove were doubled up on routine patrol when they witnessed a black Durango driving recklessly at high speeds NB on Abbot near Albert (**sector 2**). Park and Bove attempted to **self-initiate** a traffic stop on the vehicle. However, the driver vehicle failed to yield, accelerated to dangerous speeds, and shut off their headlights. Park and Bove opted not to pursue the vehicle that they last saw WB on Saginaw from Abbot. They did, however, follow the path WB to ensure the vehicle had not wrecked out. By the time they reached Frandor, Officer Ben Mommersteeg called out that he had a black Durango with no headlights heading EB on Grand River from Coolidge. Due to proximity, time frame, and the fact that the vehicle was blacked out, the officers believed that it was the same vehicle. Additionally, they believed the vehicle would likely flee recklessly if they attempted another traffic stop. For that reason, ELPD officers requested Det./Sgt. James Terrill from MSUPD, who was in an unmarked truck, try to get in behind the Durango now EB to get a plate number and follow the vehicle. Terrill followed the vehicle EB Grand River to Hagadorn and then SB Hagadorn to the Pizza House parking lot.

As the Durango pulled into a parking spot in the Pizza House lot, Terrill pulled his truck up close to the Durango. At that time, Bove and Park were in the lot as well. To ensure that the subject knew Terrill was the police, Bove and Park pulled up and turned on their overhead lights. Terrill exited his vehicle and went toward the passenger side of the vehicle. Park exited his patrol vehicle and drew his service handgun and held it on the driver's door. Terrill asked for assistance up at the passenger door. Park holstered his handgun and approached. At that point, Terrill directed the front seat (and only) passenger to step out and back towards Park. The female, later identified as vehicle owner, was directed to place her hands behind her and was handcuffed. Park walked her back to a curb behind the patrol cars and spoke with her there. The passenger stated that they had not fled from any officer and were just trying to get food at Pizza House. She indicated that they first tried to get food at Reno's North but the kitchen was closed. She said they stopped briefly at a Quality Dairy in the area before driving SB Coolidge to Grand River to ultimately head to Pizza House. As Park spoke with the passenger, another female walked up and advised that she was traveling in a Jeep but was with the Durango the entire time. Ofc. Mommersteeg spoke with that female separately and confirmed that her story matched that of passenger. Park then spoke to the driver, who had also been detained in handcuffs. The driver had the same story as both females. As it seemed likely that officers stopped an unrelated Durango, both subjects were removed from handcuffs. Park explained the reason for the stop to the driver, apologized, and provided the driver with a business card so that he was aware of who was out there. A report was taken for documentation purposes. No charges were sought in this case.

May 2024 Monthly Report for IPOC

2436401292 – On May 4, 2024, at 634am, ELPD Officers Colin Lemere and Katey Harrison were **dispatched** to the intersection of Cedarhill and Bedford (**sector 1**) to check the welfare of a subject sitting on the curb with a hoody pulled over his head. Lemere and Harrison arrived and tried repeatedly to verbally engage the subject, who was less than cooperative. The subject provided very little information and became increasingly agitated. Officers could not see his hands or his face (as they were both tucked into the garment) to be able to check his welfare. At one point, the subject began moving around handling something inside of his hoodie. As officers continued to try to communicate with the subject, he ceased responding verbally. Then the subject stood up and attempted to leave, Harrison grabbed onto his left arm to keep him there and Lemere grabbed onto his right arm. The subject was able to pull away from Harrison before she regained her grip, and they took the subject to the ground in the grass. They were still unable to get him handcuffed and held him on the ground until Officer Brennan Surman arrived and assisted in getting him handcuffed. After he was handcuffed, the subject was rolled over onto his side and sat up. The subject was transported to ELPD, where he was turned over to his dad.

While enroute, dispatch updated that the driver was possibly pinned in the vehicle. Upon arrival, the driver was outside of the vehicle. He smelled strongly of alcohol and was stumbling around the outside of his vehicle. Officer Kayla BeVier had the driver sit down in a chair so that he would not fall. Due to the crash and the subject's high intoxication level, field sobriety tasks were not done for safety purposes. He did take a preliminary breath test with a result of .239%. Although under arrest for OWI, the subject was initially not handcuffed as officers had summoned medics to evaluate the subject following the crash. However, the subject got out of the chair and stumbled forward. Officer Logan Wainman grabbed on to the subject so he would not fall forward. Officer Jake Jones moved in and grabbed the subject's right arm while directing him to sit back down. The subject sat back down for a moment but quickly became verbally combative and jumped back out of the chair toward Jones. Officers Jones and Beck Martin grabbed the subject's arms directing him to place them behind his back. The subject tensed up and actively tried to pull his arms away. Martin and Jones were able to pull the subject's arms behind his back, where Jones held them together while Martin applied handcuffs. The subject was transported by medics to Sparrow Hospital. 2436401463 – On May 24, 2024, at 1008am, ELPD units were toned and **dispatched** to the area Durand and Ann (**sector 2**) for a weapons complaint. Dispatch advised officers that the caller saw a male subject point a long gun that appeared to be a shot gun out of a house door. The caller reported hearing a click, not a shot. The caller then watched as the subject got into a black SUV with a female passenger and left SB on Durand. Officer Jordyn Willis was very close to the call at the time of dispatch and located the vehicle and subjects at the intersection of Durand/Albert. Officer Willis initiated a traffic stop. When she exited her patrol vehicle, Willis unholstered her handgun and held at the low ready while directing both subjects to keep their hands on the dashboard. While waiting for back-up, Willis explained the reason for the stop. Once Officer Brennan Surman arrived on-scene, Willis had the driver step out and walk to the rear of his vehicle. At that point, Willis holstered her handgun and secured the driver in handcuffs. Officer Surman had the passenger step out, conducted a terry pat down of her person, and located no weapons. From the investigation, officers confirmed that the weapon in question was a BB gun which was located at the female subject's house on Durand. Both subjects were released without criminal charges.

Dispatch advised that the suspect was uncooperative and was in the loss prevention office at the business. When Officer Wainman arrived, she began gathering some basic information. However, the subject stopped responding to Wainman or loss prevention staff. Staff advised Wainman that the subject likely had more stolen items on his person. Wainman asked the subject to stand up, face away from her, and put his hands behind his back. The subject complied until Wainman grabbed the subject's left hand to apply handcuffs. As Wainman went to put the handcuffs on the subject, the subject curled his arm in resistance and actively tried to pull away. At that point, Officer Menser grabbed the subject's right arm. As the officers struggled to get the subject into an open area of the LP office, Officer Menser leg performed a leg sweep to decentralize the subject and take the subject to the floor. 2436401502 – On May 29, 2024, at 0240am, an LPD officer pursued a vehicle on Saginaw near the East Lansing border. East Lansing Officers Kayla BeVier, Jeff Horn and Austin Nelson were all in the area and **(self-initiated)** responded to assist. BeVier was the first to the area and noticed the vehicle was involved in a crash at Saginaw/Clippert. Additionally, she saw the LPD officer chasing the driver on foot EB towards Burger King. BeVier drove into the Burger King parking lot and exited her patrol vehicle to assist the officer with taking the driver into custody. BeVier placed her left knee on the driver's back and placed his left wrist into a wrist lock. The LPD officer placed the driver into handcuffs and advised that he was all set. BeVier returned to the crash site along with Horn and Nelson to check on the other occupants. BeVier and Horn could see the front passenger moving around and were not able to see his hands. They each unholstered their duty handgun and pointed them in the subject's direction while giving him verbal directives to come the rest of the way out of the vehicle and get on the ground. The subject complied and was placed into handcuffs without further force. Officer Nelson pointed his duty handgun towards the backseat passenger as other officers tried to get him out of the car. The lock/door was damaged in the crash and would not initially open. Officer Jake Jones ended up using a tool to shatter the rear window and cleared away glass to be able to manually unlock the door. The rear passenger was helped from the vehicle and laid down on the ground due to a leg injury from the crash. Medics were summoned to treat that subject. Both passengers were identified and released. LPD transported the driver for fleeing and eluding.

June 2024 Monthly Report for IPOC

2436401530 – On June 1, 2024, at 0200am, Officer Andy Ferguson was standing downtown on foot patrol for bar close. At that time, Ferguson observed a male subject running out of 7/11 and W/B on Albert Ave. He then observed an employee at 7/11 run out of the store, acting frantic. Due to the employee's frantic behavior, Ferguson began to foot pursue the male subject he had seen run out of the store. As the subject was running away, Ferguson noted that the subject turned his head back and looked directly at Ferguson before tossing items onto the sidewalk. Due to the subject's active resistance of running, Ferguson unholstered his taser and gave the subject warnings that he would tase him. The subject continued to flee. Ferguson directed the subject to get on the ground before deploying his taser toward the subject's backside. The taser deployment created neuromuscular incapacitation causing the subject to fall to the ground. Ferguson then gave a verbal command for the subject to put his hands behind his back. The subject complied and no further force was used in handcuffing. Upon further investigation, Ferguson learned that the subject had committed a retail fraud of four items. The subject had an extraditable warrant out of Florida, but that agency did not place a hold on him. The subject scraped his knees as he fell to the ground. ELFD medics were summoned due to the taser strike. The subject was transported to Sparrow Hospital. He was issued citations for retail fraud and disorderly conduct and left at Sparrow.

2436401534 – On June 2, 2024, at 1030am, a subject **initiated** contact with officers at the ELPD desk (**sector 2**), stating he was missing belongings. During the previous week, officers and a social worker were dispatched to do a welfare check on the subject who was residing under a bridge next to the Red Cedar River. The subject ran into the river and remained there for 45 minutes while yelling at officers. Officer Jose Viera was able to talk the subject out of the river, where he was taken into protective custody. The subject was then transported for a PRT. Knowing the subject was concerned about his property, Viera picked through a large amount of trash to pack up a suitcase and another bag of the subject's property and had that property taken to ELPD for safekeeping.

When the subject came into ELPD on 6/2/24, he was upset because he could not find his bus pass, Bridge card, and vapes. Officers on duty tried to look up the report to see if they could figure out the location of the desired property without success. They then engaged the subject about the possibility of having a department social worker work with the subject to obtain new cards. Frustrated with the answers provided, the subject informed officers he was not mentally stable and stated he was going to break into a house and go to prison.

The subject threw himself onto the ground and began hitting himself in the head. It was determined he needed to go into protective custody due to self-harm. The subject attempted to push/pull away from officers. Sgt. Jeremy Hamilton along with Officers Katey Harrison, Wyatt Keith, Brennan Surman, and

Jordyn Willis utilized strength and leverage to pull the subject's arm behind his back and handcuff him.. The subject then provided passive resistance by going dead weight. As officers tried to set him down in a chair, the subject pulled away and then stood up while yelling and pushing towards officers. The subject attempted to headbutt the officers while stating he wanted to catch charges. He also struck Willis with a knee to her head/ear causing an injury, struck Surman in the groin area, and then grabbed Keith's legs to the point of leaving marks. Officers controlled limbs/the head until medics arrived. Officers lifted the subject onto the cot, which he was then handcuffed to. The subject was unhandcuffed at McClaren Hospital, where he was left for the PRT.

2436401535 – On June 2, 2024, at 1140am, EL officers were **dispatched** to a weapons incident in the 900 block of East Grand River Ave (sector 1). Dispatch indicated that two subjects had weapons (a screwdriver and a blade) and had threatened the caller/employee. Officer Brennan Surman was the first to arrive and displayed his duty pistol at the low ready when he contacted one subject inside the store. The pistol display was accompanied by verbal direction for the subject to show his hands. The caller quickly advised Surman that subject was not involved. There was another subject outside standing east of the store whom the caller indicated was with the suspect that pulled a screwdriver on him. Both Surman and Ofc. Jordyn Willis each still had their handguns at the low ready. Surman called that subject back to him. Surman then holstered his handgun and patted the subject down for weapons. Once it was determined the second subject was unarmed and not involved in the assault, the subject was interviewed and released. Officers learned that the subject that left prior to their arrival displayed a screwdriver and that the caller then pulled out a knife.

Logan Wainman were on foot downtown when they were flagged down about an assault that had just occurred in the 200 block of Ann (**sector 2**). The complainant pointed out a group of subjects that had just assaulted the manager of a restaurant/bar. The witness was unsure of which subject had assaulted

the manager. While Young was speaking with the witness, Wainman (**self-initiated**) contacted some of the subjects in the group in front of the Grove ramp. At that time, one of the subjects took off running NB on Grove. BeVier gave chase since it was unclear which subject in the group had assaulted the manager.

BeVier chased the subject until he began jumping fences in the 100blk of Linden. She was able to maintain a visual on the subject as he ran back EB on Albert. BeVier noted that the subject circled the block to the 7-11 parking lot, where he met back up with other members of the group. BeVier drew her Taser and gave the subject verbal directives to get on the ground. The subject complied and was handcuffed without further force. The subject was found to be a juvenile and was turned over to an adult at the station. Paperwork was sent to Probate court for disorderly conduct and MIP. 2436401717 – On June 20, 2024, at 412pm, EL units were toned and **dispatched** to a stabbing in the 1800 block of Melrose (**sector 1**). Dispatch information indicated the caller's son had cut himself in the neck with a knife. The caller also stated the subject had dropped the knife. Ofc. Chris Shadduck arrived on scene, located the subject, put him at Taser point, and had him lay on the ground. Shadduck held him at Taser point until Officers Jordyn Willis, Colin Lemere and Ken Smith arrived on scene and handcuffed the subject without incident. While waiting for additional units, Ofc. Shadduck calmly spoke with the individual and determined that he had another knife on his person. The subject was transported to Sparrow by ELFD for cuts to his neck and was PRT'd. SW Hannah Peterson was on-scene and assisted with the PRT.

2436401729 – On June 21, 2024, at 738pm, a male came into ELPD with court ordered PRT paperwork with him that was signed by a Judge on 6/21/2024 for his life partner. The male explained to Sgt. Stemen that ELPD officers were at his house earlier in the morning and officers did not have enough to involuntarily take her to the hospital. The male indicated that he was able to get the court ordered paperwork and requested ELPD units pick her up. The male stated his partner was at a retirement party at a bar in the 1300 block of Abbot (**sector 1**). Sgt. Chad Stemen, Det. Jordan Woodruff, and Det. Justan Horst responded to the bar.

Since they were aware that the subject would likely not go willingly, Stemen opted to wait outside until the subject came out to smoke. Once she did, Stemen approached the female and indicated that he needed to speak to her. Stemen advised the subject of the court ordered PRT. The subject attempted to continue walking past Stemen while using her hands to push him away. Stemen grabbed the subject's L arm while Horst grabbed hold of her R arm. Stemen utilized a Kimura grip to pull the subject's arm together for handcuffing. Once handcuffed, the subject continued to be resistive and even kicked Horst

twice. At that point, Stemen moved the subject's arms up and away from her back to control her body to the ground to avoid being kicked. Neither Horst nor the subject were injured. Although the medics came out, the subject requested to be transported to McLaren by a female officer. Ofc. Logan Wainman transported the subject to McLaren Hospital for the PRT.

July 2024 Monthly Report for IPOC

2436401813 – On July 1, 2024, at 938am, EL units were **dispatched** to a domestic assault in the 1300 block of Deerpath Ln (**sector 1**). The reporting party told dispatch that she was assaulted by her husband, which included being choked and that she was still bleeding from the mouth. Once on-scene, Officers Jack Saylor and Staci Kole contacted the female. She stated that she was assaulted by her husband the night prior. The female had a minor cut to the inside of her lip. However, officers noted no marks on her neck. She indicated that her husband was inside of the apartment sleeping and gave officers permission to go inside to contact him. Kole and Saylor knocked and announced and received no answer. Due to the nature of the reported offense and the uncertainty of the subject's behavior, Saylor drew his Taser while entering the apartment but kept it at the low ready. Once Saylor determined the subject was compliant, he holstered the Taser. The officers collected the subject's side of story, which varied substantially from the wife's account. Officers submitted a report to ICPO for review of a potential DV charge against the subject. Additionally, they contacted CPS as there was a 7 YO child in the apartment during the alleged assault.

2436401847 – On July 5, 2024, at 756am, EL units were **dispatched** to the 1400 block Oak Ridge (**sector 3**) for a subject who sent texts to her wife saying she had gun and then stopped responding to return text messages. Once on scene, Lt. Scot Sexton tried unsuccessfully to call the subject inside the apartment. Sexton contacted the wife via telephone who was driving back from Grand Rapids. The wife indicated that the subject inside had called her since the gun message and they were now communicating via text. For that reason, officers did not rush to go inside the apartment as they knew the subject was not actively shooting herself. Eventually, Sexton was able to get the subject on the phone and talked to her for about 15 minutes before she agreed to come out of the building (with no gun) and follow instructions. Officers had already blocked off all vehicular and pedestrian traffic to the parking lot of the complex. The subject came out and followed instructions. Officers maintained cover behind the Tahoe engine block and ballistic shields until the subject was close to them. Sexton had his Taser out at the low ready. Officers Katey Harrison and Jordyn Willis had their handguns at low ready. Officer Wyatt Keith had his rifle at low ready. As officers approached the subject, Harrison holstered her handgun and assisted Officer Brennan Surman with handcuffing. The subject was calm and compliant. She assured officers that she was not homicidal nor suicidal. She was left at the residence. The wife opted to stay elsewhere for the night.

2436401850 – On July 5, 2024, at 1139pm, Officers Chad Buike and Jake Jones were doubled up as a two-man car on routine patrol. They were near the intersection of Lake Lansing and Coolidge (**sector 4**) when they noticed a car make a right turn at a red light directly in front of another vehicle that was headed EB on Lake Lansing Rd. The other EB vehicle had to brake hard to avoid a collision. Buike and Jones activated their lights to **self-initiate** a traffic stop at Marfitt just north of Lake Lansing. The vehicle continued north and pulled into Stonehedge Apartments. Despite the officers activating their siren, the vehicle then accelerated and continued to drive around the parking lot before coming to a stop in the southside of the lot. When the vehicle came to a stop, the driver immediately opened the door and began stepping out of the car. Jones unholstered his duty handgun and began giving the subject instructions to keep her hands up. The driver was compliant and walked to the rear of her vehicle. Jones holstered his handgun once Buike secured the subject in handcuffs. The driver had been drinking and had a suspended driver's license. The subject refused field sobriety tests. She was cited for driving with a suspended license. She was not arrested nor cited for OWI. Based on the subject's statements and history, officers asked if the subject would be willing to talk to one of the department social workers. The subject accepted and a referral was made.

2436401856 – On July 6, 2024, at 247pm, Ofc. Brennan Surman attempted a traffic stop on a purple Ford Mustang near Abbot/ Lake Lansing Rd for speeding. The vehicle fled from Surman at a high rate of speed weaving in and out of traffic traveling WB on Lake Lansing Rd. Sgt. Chad Stemen directed Surman to terminate the pursuit as he approached Coolidge Rd. After terminating, Surman watched the vehicle get on 127 NB and put out a BOL for Clinton County. Approximately 15 minutes later, dispatch advised that Bath Twp PD had located the vehicle and was in pursuit WB Saginaw from Hagadorn. Stemen monitored Clinton County radio traffic and learned that the vehicle had been spiked striped by officers from Clinton County. At the time, Stemen was at the intersection of Saginaw/Abbot.

Due to the vehicle traffic at the intersection and the reckless driving of the suspect vehicle, Stemen activated his overhead lights and siren to keep the intersection clear. The vehicle drove through the intersection at a high rate of speed without Clinton County officers directly behind. Stemen pulled onto Saginaw and pursued the vehicle as it was slowing down due to the spiked right-side front/rear tires. The suspect vehicle stopped on WB Saginaw, just west of Harrison Rd (**sector 4**). Stemen and Ofc. Staci Kole pulled their patrol vehicles side by side behind the suspect vehicle and began a felony stop. Kole and Stemen each had their duty handguns pointed at the vehicle. Officers Surman, Jordyn Willis, and Jose Viera also arrived to assist with the felony stop and had weapons displayed. The driver was called out of the car first and walked back to the officers as directed. The passenger was then called out and walked back to the officers as well. Both were handcuffed without further force. Bath Twp arrested the driver for flee/elude. The passenger was identified and released.

2436401904 – On July 11, 2024, at 722pm, ELPD units were **dispatched** to assist Lansing Police Department in the 5200 block of S. King Blvd with mutual aid on a weapons complaint. Dispatch informed units that a male subject was waving a handgun around following a verbal dispute. A clothing and vehicle description were given for the subject. Due to other priority calls, Lansing PD initially did not have any units available. For that reason, both ELPD and MSUPD assisted. Officer Logan Wainman was the first officer to arrive. As she pulled up, a female witness pointed out a subject and indicated she saw him with a handgun and watched him put it into his vehicle. With her rifle at the low ready, Wainman began giving the accused subject commands to keep his hands up and step away from his vehicle. As Wainman was contacting the subject, MSUPD Officers Edmondson and Silver arrived. Eventually, the subject complied with directives, stepped away from his vehicle and placed his hands on the building. Officer Silver detained the subject in handcuffs. 2436401925 – On July 13, 2024, at 1030pm, Ofc. Jake Jones noted stop sign and registration violations on a vehicle and decided to **self-initiate** a traffic stop on that vehicle as it pulled onto Tulip Tree Ln (**sector 4**). As Jones turned his lights on to initiate the stop, all 4 occupants were already exiting the vehicle. Jones called to the subjects asking them not to walk away. He then asked the driver for identification. As he was doing so, he noticed 2 Glock gun boxes in the rear window of the sedan. The driver attempted to go back into the vehicle to get his identification. Due to the potential of a firearm being in the car, Jones directed the subject not to go in the vehicle and asked about the Glock boxes. The driver escalated and became verbally aggressive, talking over the top of Jones. Jones attempted to control the scene and explain. However, the driver remained very agitated. Ofc. Ben Mommersteeg arrived and both officers gave the subject commands to put his hands behind his back. The subject did not comply and responded by yelling “for what”. Mommersteeg grabbed onto the subject’s L arm while Jones grabbed onto his R to place his hands behind his back. The subject curled both arms in resisting officers attempting to detain him. Mommersteeg performed an arm bundle allowing Jones to place handcuffs on the subject. Sgt. Katelynn Bennett and Officer Kayla BeVier arrived and assisted Jones in securing the other occupants in handcuffs. The subject was adamant and gave consent for officers to search his vehicle. No firearm was located. During this time, Mommersteeg talked to the driver extensively helping to calm the scene. The driver was cited for hinder/obstruct and all four subjects were released.

2436401929 – On July 14, 2024, at 0150am, Officer Jake Jones was downtown conducting foot beat when he was **flagged down** at the back door of a bar in the 100 block of Albert (**sector 2**) for a subject that was causing issues. An employee advised that the subject was assaulting bar staff members as they attempted to remove him from the property. As Jones walked up, the subject was pushing the bar staff as they were trying to get the subject off the bar property. Jones shined his flashlight towards the subject and called out. The subject abruptly turned and began walking quickly towards Jones with his hand in his pocket. Jones began walking backward to create space and directed the subject to take his hand out of his pocket. Additionally, Jones directed the subject approximately 10 times to stop walking towards him as he continued to back up. Jones advised dispatch of the incident and Sgt. Katelynn Bennett who was also on foot patrol downtown joined Jones on the call.

Once Bennett arrived, she tried to speak with the subject to get his story and obtain his identification. Throughout the contact, the subject was aggressive towards Jones as shown by pointing at Jones, spitting profanities, and telling Jones to shoot him. Jones and Bennett tried to calm the subject down. However, the subject escalated telling Jones he would “fuck him up” while stepping towards Jones and swinging his fist in the air at him. At that point, Jones unholstered his Taser, put the red dot on the subject, and gave commands for the subject to get on the ground. The subject initially replied “no” and then went entirely uncompliant with commands. Bennett also displayed her Taser and gave commands. With no compliance, Jones then deployed his Taser striking the subject in the torso and thigh causing full neuromuscular incapacitation. The subject was handcuffed without further force. The subject had minor abrasions to his elbows likely from falling to the ground after the Taser strike. ELFD medics were summoned. The subject was lodged at ELPD jail until sober. Jones sent a warrant request to the EL City Attorney for disorderly and assault charges.

2436401941 – On July 16, 2024, at 1230am, dispatch advised that a silver Pontiac had fled from Michigan State Police on a traffic stop. Shortly after, East Lansing units were priority toned to assist MSP. Dispatch advised that the Pontiac had rammed into the trooper’s patrol car, and that the trooper was actively pursuing (alone). Dispatch updated that the vehicle was traveling WB on Grand River through East Lansing. Officer Kayla BeVier requested and received permission from ELPD command to join MSP in the pursuit. BeVier engaged in the pursuit until the vehicle crashed into a pole at the intersection of St. Joe/Rosemary in Lansing. The driver fled on foot NB through a backyard and the front seat passenger ran EB on foot. The MSP trooper and two MSU officers chased those subjects on foot.

As the next unit in the pursuit, BeVier remained with the vehicle. As BeVier stopped behind the vehicle, two females exited the vehicle from the backseat. BeVier displayed her duty handgun and directed both

subjects to get on the ground. Both subjects complied. Once other officers arrived to assist, BeVier called the subjects back to other officers to be safely secured in handcuffs. All subjects and the scene were left in MSP's control.

At approximately 830pm, Sgt. Travis Bove located the Edge exiting onto Trowbridge from SB US 127 (**sector 3**). The caller later, identified as the business owner, stated his employee was yelling and screaming. The caller was concerned that his employee was on drugs and for his overall welfare. Viera and Lemere contacted the subject outside of the business. The subject expressed anger and frustration about the owner. Officers spent over 15 minutes outside attempting to calm the subject, while trying to get him to go home. The subject went inside the business to clock out (his shift had actually ended 1.5 hours prior) and gather his belongings. The subject went behind the counter. He then again escalated and began yelling at the owner and officers. Both the owner and officers told the subject that he needed to leave. The subject ignored

requests and continued yelling for several more minutes. Finally, Viera and Lemere went behind the counter to place the subject under arrest for trespassing. When the subject refused to put his hands behind his back, both displayed Tasers. At that point, the subject got on the ground and placed his hands behind his back. Officer Ken Smith arrived as Viera and Lemere were taking the subject into custody. Smith displayed his Taser as Viera and Lemere had holstered their weapons to handcuff the subject. August 2024 Monthly Report for IPOC

2436402120 – On August 4, 2024, at 0140am, Officers Jake Jones and Beck Martin (who were assigned as a two-man Boston unit) **self-initiated** a traffic stop on a vehicle for driving with no insurance near Albert/Charles (**sector 2**). Due to being uninsured, the vehicle was being impounded and passengers were asked to exit the vehicle. A rear passenger was not compliant initially with exiting the vehicle and can be seen pushing the lock down on the door. At that point, Jones stepped forward to unlock the doors the subject said "sike" and opened the door making sound effects and motions consistent with a subject running away. Jones grabbed the subject's right arm to stop the subject from leaving, and then grabbed the left arm and turned the subject to face the vehicle. The subject tensed up and resisted officer action to have him face the vehicle. When told to place his hands behind his back, the subject reached for his waistline and was verbally argumentative. The subject pulled a hand away from Jones and away from behind the back. Strength and leverage were used to grab the free hand and then push the subject against the vehicle and to secure the subjects in handcuffs. Once the subject was identified, the handcuffs were removed. No arrest was made, nor citation issued to the subject.

2436402132 – On August 5, 2024, at 0145am, ELPD officers were toned and **dispatched** to a sexual assault in progress in the 400 block of Tulip Tree Ln (**sector 4**). The victim was a juvenile male who stated he was just walking down the street when he was approached by a guy who told him he could stay at the subject's apartment. Once at the apartment, the juvenile reported that the subject began touching him, made him go into the bedroom, and refused to let him leave. The juvenile was able to message a family member via Facebook, who called 911.

ELPD officers responded to the apartment. Officers Jake Jones, Jacey Kingsbury, Wyatt Keith made contact at the apartment door. Two subjects came to the door and were called out to officers and handcuffed. Afterwards, the juvenile victim walked out to officers. Officers learned that one of the subjects that came out initially was the accused. Officers also learned that another male was still in the apartment. Officers gave multiple loud commands for anyone inside the apartment to make themselves known and to come out. They got no response. Several officers then began clearing the apartment with their department issued handguns drawn. The basement and main level were cleared without incident. Upstairs had two bedrooms that were shut and locked, and movement could be heard inside. Again, commands were given with no response. Both doors were eventually kicked open. In the first bedroom, officers contacted a female. Sgt. Katelynn Bennett and Keith pointed their handguns at her as they gave her commands to show her hands. She was handcuffed and detained. In the second bedroom, Martin and Keith contacted a male. They had their handguns pointed at the male as he was given commands to show his hands. That subject was also detained in handcuffs until officers could get the story from the victim. Ultimately, the two witnesses were uncuffed and were interviewed by detectives. The accused was arrested for sexual assault and kidnapping. Charges were issued by ICPO.

2436402335 – On August 24, 2024, at 935pm, MSUPD PEACE Sgt. James Terrill requested additional units as he was checking four subjects for narcotics use in Ramp 6 at Grand River/Charles. ELPD officers Detective Jordan Woodruff and Sgt. Chad Stemen (**self-initiated**) responded to assist. Upon arrival, Woodruff and Stemen noted Terrill had two subjects out of the car, and Terrill advised two others who were still in the car next to him were involved. As Woodruff began to pat down one subject for weapons, he felt a gun on the subject's right hip, calling out "GUN GUN" to the other officers on-scene. The subject tried to pull away from Woodruff to flee. With the assistance of Terrill, Woodruff used physical control to pull the subject to the ground, control his arm, and handcuff him. A gun was in the suspect's pants right hip area with no holster. Stemen, along with ELPD Officers Wyatt Keith, Jake Jones, and Jim Menser displayed their duty handguns at the other three subjects treating the situation as a felony stop. The other three subjects were called back to officers one at a time. No further force was used. Subject #1 was lodged at ELPD for Terrill, who sought CCW and obstruction charges through ICPO.

Pennsylvania (**outside of jurisdiction**) on an assist agency/felonious assault call. Lansing PD was tied up on other priority calls and requested ELPD assistance. Dispatch advised that someone was being assaulted with a piece of rebar and provided a suspect description. Upon arrival, Jones and Wainman noticed a subject matching the description in the parking lot. The subject was not initially complying with their commands from officers. Jones and Wainman each drew their Tasers and pointed them at the subject. Once the subject complied with commands, Wainman holstered her taser and secured the subject in handcuffs. When the subject was secured, Jones holstered his taser as well. The matter was eventually turned over to LPD to complete the investigation.

2436402340 – On August 25, 2024, at 0251am, Officers Brittany Monroe and Jim Menser were on bike patrol near Grand River Ave and MAC (**sector 2**) when there were **flagged down** about a domestic assault in progress in the alley around the corner. As Menser and Monroe rounded the corner, they heard arguing and watched as a male subject grabbed a female by the hair and pulled her back as she was walking away. Menser and Monroe got off their bikes and attempted to investigate. The male subject immediately became defensive and hostile. He grabbed the female by the arm and began pulling her away. As Menser gave commands for the subject to stop walking away, the male yelled obscenities, squared up to Menser with balled-up fists, and threatened to beat his ass. Menser unholstered his Taser and pointed it at the subject. The subject then fled on WB Grand River towards Abbot. Menser called for back-up as he followed the subject from a distance.

Officers Jake Jones and Logan Wainman arrived in a patrol car and confronted the suspect at the corner of E Grand River Ave and Abbot Rd. At Taser point, they directed the subject to get on the ground. The subject moved to a seated position but refused to roll over. All three officers went hands on to get the subject into custody. The subject tensed up his body and actively resisted attempts to roll him onto his stomach. Using strength and leverage, Menser was able to get him face down momentarily, at which point the subject was able to turn back forward and face officers. At that time, Jones gave Taser warnings before deploying his Taser which caused partial neuromuscular incapacitation. Under NMI, Menser and Wainman were able to face the subject back face down. As soon as the Taser cycled through the 5 seconds, the subject immediately tensed his arms again and was still actively pulling away from and resisting officers. At that time, Jones deployed a Taser a second time. During this NMI, Menser and Wainman were able to use strength and leverage to get the subject's arms into a position where Menser could successfully handcuff him. After being cleared by medics, the subject was transported to ELPD on domestic violence and resisting charges.

2436402341 – On August 25, 2024, at 1215am, ELPD officers were toned and dispatched to a weapons complaint at a store in the 200 block of Michigan (**sector 3**). Dispatch advised that 3 males were waving around a handgun with a green laser. Dispatch updated with a description for one of the subjects involved but did not have a description on the other 2 involved males. Officers Kayla BeVier, Jacey Kingsbury, and Andrew Lyon arrived in the area and noted three subjects in the rear lot of the building. One of the subjects partially matched the clothing description provided. Additionally, the subjects began moving away from officers as they approached. Due to the similarities in group size, description, proximity to the store, and reaction to officer presence, officers opted to detain the group. Lyon, Kingsbury, and BeVier each unholstered their duty handguns and held them at the low ready while giving the group commands. The group was compliant and all three were detained in handcuffs briefly. Within moments, Lt. Adam Park, Sgt. Travis Bove, and the PEACE Team called out with a different group exiting the store. That group was detained, and two firearms were located on those subjects. BeVier, Lyon, and Kingsbury released the original three subjects without charges.

Dispatch advised that the subject had made suicidal gestures and was trying to light items on fire. Additionally, officers were advised that the subject equipped herself with a cast iron pan and lighter. Officers knocked and eventually contacted the subject and her roommate in the doorway to the apartment. The two appeared like they had just been in a struggle. Officers asked the roommate to step into the hallway. As the roommate walked into the hallway, the subject reached out and grabbed a hold of Buike's holster and gun. Buike secured his holster with right hand and pushed the subject back with his left forearm. Jones and Menser took the subject to the ground where she was secured in handcuffs. Medics responded and medically cleared the subject. Jones and Buike transported the subject to the hospital and completed a PRT petition. No social worker was on duty at the time of the call.

Due to the subject's phone plotting in a business district, Officer Willis ended up calling the subject. He told her that he was in Ramp 6 (MSU) parking garage (**out of jurisdiction**). Willis asked the subject where exactly he was and he indicated he was in the bottom level. Additionally, he advised Willis that he was actively cutting himself. Willis then called on the radio to Smith who was with SW Knickerbocker and directed them to the subject. Officer Smith located and observed the subject in a vehicle, appearing to bang his head. As Smith looked into the vehicle, he could see that the subject had a box cutter. Smith unholstered his duty handgun and ordered the subject out of the car. The subject complied by laying out in the prone position next to the vehicle, where he was taken into protective custody. Smith and SW Knickerbocker transported the subject to Sparrow for a PRT.

2436402439 – On September 1, 2024, at 0218am, Officers Andy Ferguson, Colin Lemere, and Andrew Lyon were downtown on footbeat when they were **dispatched** to assist MSUPD on a domestic violence suspect running from MSUPD in Ramp 6 heading NB across Grand River. The three officers ran to E Grand River and MAC, where they could see the subject running across Grand River just to the E of them. As they ran over to assist, Ferguson had his taser out pointed at the subject. A witness actually knocked the subject to the ground as he reached the N side of E. Grand River Ave near Charles (**sector 2**). The subject hit the ground, landing on his back just in front of the officers. Lemere rolled the subject onto his stomach and then secured the subject's legs. Ferguson holstered his taser and grabbed the subject's hands for handcuffing. Lyon stabilized the subject's upper body and head while Lemere applied handcuffs. Immediately after the suspect was handcuffed, the officers rolled the subject onto his side. The subject was transferred to the custody of MSUPD.

Upon arrival, officers discovered that the suspect had left in his vehicle. Dispatch advised officers that the suspect had an active felony warrant, and that our victim also had a PPO against the subject. Officer Colin Lemere located the subject's vehicle on Saginaw and initiated a traffic stop near Harrison and Saginaw. Lemere and Sgt. Andy Stephenson treated the stop as a high risk/felony stop. Lemere and Stephenson had their duty pistols at the low ready as they gave the subject commands to exit his vehicle and walk back to the patrol vehicles. The subject cooperated with commands. Once he was secured in handcuffs, Lemere and Stephenson holstered their handguns. No additional force was used. The subject was arrested for the outstanding warrant. Charges were also sought for domestic assault and violation of the PPO.

2436402499 – On September 6, 2024, at 1229am, ELPD officers were toned and **dispatched** to a weapons complaint near Michigan and Harrison (**sector 3**) for a subject on a CATA bus with a knife, who had threatened other passengers. Dispatch provided officers with a description of the subject. Sgt. Jeremy Hamilton along with Officers Ryan Kuhn and Ken Smith arrived shortly after being dispatched. Due to the nature of the dispatch information, Kuhn had his duty handgun out at the low ready, Smith had his Taser out, and Hamilton had a 40 mm launcher slung around his neck. As the officers approached the rear door of the CATA bus, they could see three male subjects sitting in their seats. None of them appeared to have been involved in a felonious assault and appeared to be very calm and relaxed. One of the male subjects motioned to the subject sitting to his right. Kuhn asked the subject if he had a knife at which point, he pointed to a brown leather sheath that was attached to his belt. Kuhn holstered his handgun and instructed the subject to keep his hands to his side. Kuhn then moved toward the subject and removed the knife while explaining to the subject what he was doing. After handing the knife off to another officer, Kuhn assisted by Smith and Hamilton pulled the subject's arms behind his back for handcuffing. The subject was not totally compliant and tensed up slightly. Hamilton held the subject's hands while Kuhn and Smith applied handcuffs. Upon further investigation, officers determined that the subject made some concerning statements but no direct threats. The handcuffs were removed, and no charges were sought.

2436402516 – On September 8, 2024, around 1235am, Sgt. Jeremy Hamilton and Officer Beck Martin were doubled up as a two-man unit on routine patrol. Around that time, they observed a vehicle near W Grand River and Delta (**sector 3**) commit a lane use violation and noted an expired registration. They **self-initiated** a traffic stop on the vehicle. After running the subject's vehicle in LEIN, it was confirmed his vehicle had expired insurance and registration. Martin returned to the vehicle and asked the subject to shut the vehicle off, which he did. Martin then asked the subject to get out of the vehicle because it was being towed for not having insurance. The subject refused to get out of the vehicle and continued to argue with Martin. Martin directed the subject to exit the vehicle a total of nine times and the subject still didn't comply. Martin then reached in through the open window, unlocked the subject's door, and opened it. Once the door was open, Martin grabbed on to the subject's right arm. However, the subject got out of his car under his own power. Martin controlled the subject's right arm as Officer Falysha Edmondson from MSUPD assisted in guiding the subject's left arm behind his back. At that point, Martin detained the subject in handcuffs. Once the subject was patted down and the vehicle searched, the handcuffs were removed. The subject was cited for expired registration, no insurance, and disorderly conduct.

Coleman and Shearwater (**sector 5**). Bath Twp PD already had one subject in custody but still had two more outstanding. Mommersteeg utilized his K9 partner Atlas to track from the area where BTPD had last seen the subjects. Saylor accompanied Mommersteeg/Atlas as they tracked into the 500 block of Anhinga. Upon doing so, they located one subject in the tree line near Shearwater and Anhinga. Mommersteeg called out to the subject directing him to get on the ground. During the apprehension of the subject, Saylor had his duty rifle pointed in the direction of the subject at the low ready. BTPD took the subject into custody with no additional force.

2436402589 – On September 12, 2024, at 1220pm, ELPD officers were **dispatched** to a traffic crash on Grand River/MAC (**sector 2**) where the driver hit two cars, ran over the bench on the north side of Grand River, injuring a pedestrian and hitting Curious Book Shop. The driver fled north on foot and was located by Officers Wyatt Keith and Chris Shadduck as they were responding to the scene. As the two officers exited their vehicle, the subject ran from Keith towards Shadduck and took a swing at Shadduck. This happened as Sgt. Tony Fuller was arriving on scene. Keith and Shadduck used a wrist lock to take the subject to the ground and Fuller applied handcuffs. While in the jail, after being cleared by medics, Officer Katey Harrison (working as a jailor) was booking the subject in, when the subject swung at her multiple times. Harrison and Shadduck grabbed the subject's arms and escorted her to a cell. The subject tried to pull away from Harrison, Keith, and Shadduck when they were handcuffing her to go to Sparrow after the social worker had secured PRT paperwork.

While at Sparrow, the subject was initially compliant, but then stood up and advanced towards Keith. Keith used further soft hand techniques to push the subject back into a chair. The subject attempted to kick both Shadduck and Keith. Eventually, she was secured to a hospital bed and turned over to Sparrow security staff. The report was turned over to ICPO for review.

Dispatch advised that the caller's 14 YO foster child was in the garage with a knife threatening to kill herself. Dispatch advised the caller wasn't on-scene and was getting this information second hand. Officers arrived and learned the subject was locked in her bedroom and that it was unknown if she still had a knife. Officers on-scene decided to stage at the bottom of the stairs in attempt to call the subject out from her room. During this time, Officer Colin Lemere had his duty issued Taser out. Officer Beck Martin had his duty issued handgun out at the low ready. Officers gave repetitive verbal commands for the juvenile to come to them. The juvenile stayed in her room. Once the caller arrived at the residence, Lemere along with Officer Jordan Woodruff went upstairs with the foster mom to contact the subject. Lemere had his Taser out when he went into the

child's bedroom. Once Lemere made entry, he observed the subject had no weapons. At that point, Lemere holstered his Taser. The juvenile was PRT'ed by the foster mother at Sparrow Hospital.

Upon arrival, Hamilton located the subject holding a knife to his own throat and noted blood on the subject's arms and pants. Hamilton displayed a 40 mm Less Lethal and directed the subject to drop the knife. The subject called out to Hamilton to kill him. Hamilton began talking to the subject while still asking him to put the knife down. Eventually, the subject dropped the knife and followed Hamilton's directions to lie on the ground. Lt. Adrian Ojerio was on a bicycle and rode over to assist. As Ojerio arrived, the subject was still unsecured. Ojerio observed that there was a knife by the subject's feet and that Hamilton did not have any lethal cover. Ojerio grabbed Hamilton's patrol rifle out of his vehicle and provided lethal cover for him. They held the subject at gunpoint until Officer Jordyn Willis and Officer Brennan Surman arrived to assist in taking him into protective custody. The subject was secured without incident and turned over to ELFD for transport to Sparrow Hospital for medical treatment and a PRT. There was no social worker on duty at the time of this incident.

dispatch updated that the firearm may have been discharged and it was unknown if anyone had been hit. Ofc Kayla BeVier was the first to arrive to the area and was flagged down by the caller near Grand River/Oakland. BeVier relayed a description of the male subject with the gun and gave an address on E. Grand River where the subject was last seen. As officers were getting into position around the residence, a female stepped out of the house and onto the porch. Officers made verbal contact, directing the subject to show her hands and slowly walk out to officers. During this time, Lt. Adam Park, Ofc Colin Lemere, and Ofc Brennan Surman had rifle displays while Officer Jordyn Willis had a handgun display. As the female subject was still walking towards officers, a male subject matching the description provided by the caller stepped out of the house. Officers had him wait until the female was secured and in a patrol vehicle before calling him back at gun point as well. He followed directions and was secured with incident. Once both subjects were in patrol vehicles, officers learned that an 8 YO and an 11 YO were still inside. The female (mom) was uncuffed and assisted in calling the children outside (not at gunpoint). After full interviews were conducted with the caller and both subjects, officers concluded that no shot was fired. No custodial arrest was made. 2436402690 – On September 17, 2024, ELPD received information from Clinton County SO about a dangerous home invasion suspect who allegedly entered a residence wearing a mask and confronted the residents with a hatchet just outside of the East Lansing city limits. CCSO advised that the subject had a previous probation violation/obstruct police warrant out of Ingham Co with a \$50,000 bond. Additionally, they advised that the subject was known to carry edged weapons and frequent the north end of East Lansing along the Coolidge/Coleman/State Rd corridor. CCSO provided photos of the subject.

On 9/20/24 at 1249am, Lt. Adam Park spotted the subject on a bicycle pedaling EB Albert from Grove. (**sector 2**). Park watched as the subject turned NB in the W MAC Alley. Park followed while calling out to dispatch and other ELPD units that he was behind the CCSO home invasion suspect. The subject attempted to out pedal the patrol vehicle as he cut through several alleys and streets. Park continued to update other officers of his location and activated his overhead lights to **self-initiate** contact. After crossing Abbot Rd and cutting through a parking lot, the subject pulled into the Evergreen Alley in the 400 block and jumped off his bike. As he did so, the subject tripped over the bike tire and fell to the ground. Park displayed his Taser and began giving the subject directives to show his hands and get on the ground. Although the subject was not completely compliant, he eventually laid on his stomach with his hands behind him and was secured without incident. He was in possession of a 5-inch

fixed-blade knife tucked in his waistband and meth in his pocket. The subject was taken to ICJ on his \$50,000 probation warrant. CCSO was advised of the subject's location at ICJ for interviewing. This incident was sent to ICPO seeking additional charges.

This was the third time which officers had been there that day. After investigation, officers concluded that a mother had been assaulted by her daughter, leading to a subject being placed under arrest for DV. She was handcuffed without incident. As Mommersteeg and BeVier walked the subject toward the patrol vehicle, the subject began actively resisting by thrashing and kicking towards officers. The subject then shifted her body weight to the ground and stated she was not moving anywhere. Mommersteeg and BeVier lowered the subject to the ground. The subject continued to thrash around attempting to get up as officers attempted to search her. Mommersteeg placed his knee across her back to maintain control. The subject kicked toward and spit on Surman. BeVier placed her shins across the subject's legs to prevent further kicking. Officers called for assistance. Sgt. Jayson responded, and the officers effected a 4-person carry of the subject to the patrol car. Once at the car, the subject wedged her legs in the car frame. Surman reached through the car, grabbed the subject by her legs, and pulled her into the car. Throughout the arrest, the subject made multiple suicidal statements. Bove called out the fight via radio to dispatch and other officers. Park grabbed the department issued MK-9 OC spray cannister and moved toward the fight. As he did so, Park gave repeated loud verbal commands for the subjects to break up the fight. None of the subjects ceased fighting. Park noticed one group of five subjects fighting with another two people fighting each other directly next to the large group. Park gave a few short bursts of the MK-9 OC cannister directed at both groups. The large group immediately split apart and scattered. As they ran away, one subject jumped on the back of another subject (both from the group of 5). Sgt. Justan Horst and Det. Jordan Woodruff intervened and took both of those subjects into custody without further force. The two individuals who were fighting next to the larger group continued to exchange punches even after being sprayed initially. Park delivered another short burst of OC spray while directing the subjects to “break it up”. The two finally broke apart. Bove took one subject into custody and Park, assisted by Sgt. The subject then pulled away from BeVier and attempted to flee SB on foot. BeVier continued to hold the subject as he attempted to flee. The subject was approx. 6'4" 250 lbs. Due to the size disparity and the assaultive behavior, BeVier unholstered her Taser, pointed it at the subject, and directed him to get on the ground multiple times. The subject again ignored BeVier's verbal warnings. He moved closer to BeVier's face and repeatedly told her to tase him.

Horst arrived on scene and noticed several officers on the ground attempting to take a subject into custody. 2436403318– On November 6, 2024, at 1014pm, ELPD Officers were **dispatched** to the 200 block of MAC Ave (**sector 2**) in reference to an older white Chrysler van with a rusted bumper occupied 3 times that shot an airsoft gun at the caller. A few hours prior, Ofc Jim Menser took a felonious assault report of the same type of incident involving a beige Chrysler Town & Country in the 500 Block of E Grand River Ave that pulled up to a victim and shot her with an airsoft gun. That vehicle was described as an older minivan, possibly a Chrysler Town & Country with damage on the passenger side and tinted rear windows. Shortly after the second call, Detective Jordan Woodruff located an older Chrysler Town & Country with a beat-up bumper and tinted rear windows at Hagadorn Rd and Haslett Rd occupied multiple times. He indicated that he would be stopping the vehicle at Hagadorn Rd and Cambria Dr.

Upon stopping, the driver immediately opened his door. That action, paired with the allegation of the occupants being armed and committing assaults on strangers dictated that we treat the stop as a high risk stop for the safety of all involved. Woodruff, Menser, and Ofc Beck Martin each had handguns displayed as they called the driver out of the vehicle.
