2336402151 – On August 1st 2023, at approximately 12:20 pm, Officers were **dispatched** to a welfare check of a subject drinking open alcohol in the 200 Blk of Albert downtown (sector 2). The subject was described as a 27-year-old black male wearing a long black sleeve shirt and jeans. Ofc Viera contacted the subject first in the 2000 Blk of Albert and the suspect started immediately walking away from him, leaving a bag behind. Viera called it out that the subject was walking away. Once the subject reached the Albert parking ramp, he started running up the ramp and Viera told him numerous times to stop and that he needed to speak with him (about the open alcohol violation). At this time Viera called out that the suspect was running up the ramp.

After a brief foot pursuit of about 50 yards, the subject stopped midway up the first level of the ramp and concealed his hands on his person. Both Ofc Buike and Viera got out their Tasers, pointed them at the suspect, and asked him multiple times to turn around and place his hands behind his back. At this point, the officers advised the subject of the legal reason for the contact with open alcohol and the hinder / obstruct, from running. After a verbal argument with the subject, the subject finally complied and was taken into custody without incident.

After the arrest the subject was identified as a known subject who has caused issues and fought with the police before. Additionally, while checking the property that he abandoned at the beginning of the foot chase, it was discovered that the items had just been stolen from Target just 20 min before this incident.

2336402234 – On August 8th, 2023, at around 9 PM, ELPD officers were **dispatched** on two calls for a subject being verbally aggressive with people at businesses along E Grand River in 400 and 500 blocks (**Sector 2**). At both locations, the subject was yelling profanity and racial slurs, and witnesses indicated that he was likely very intoxicated or on drugs. At around 10 PM, ELPD was dispatched to another business in the 300 block of E Grand River for the same thing. However, the caller told dispatch that she thought the subject assaulted someone inside the business. A description was given of the subject and his clothing; however, the subject left before ELPD officers came into the area. Officer Ken Smith observed the subject on MAC, near Albert. When Smith went to make contact, the subject fled NB on foot. Officer Smith quickly caught up to the subject and tackled him to the ground. Smith handcuffed the subject without incident. Neither the subject nor Officer Smith sustained foot pursuit/apprehension injuries. The medics were requested for intoxication and shortness of breath. Jones then grabbed the subject's bicep and started to escort him out of the bar to investigate further. When the subject neared the door, the subject pulled away from Jones, attempting to run (active resistance). Jones grabbed ahold of the subject's shirt to slow him down and then grabbed hold of the subject in a bear hug. Using strength and leverage, Jones escorted the subject to the ground. Martin controlled the subject's legs as he was rolling and kicking. Surman helped to move the subject's arm into a handcuffing position. The subject was handcuffed and transported to ELPD. After being taken into custody, one of the subjects (2) began kicking the back door of the patrol car and screaming he could not breathe. ELFD medics were called and did not locate any issues; as a precaution, he was also medically cleared by Sparrow Hospital with no issues. No force was used on this subject while being taken into custody. As the Officer monitored him, a relative, subject (1), came to the car and was ordered to back away. The relative disregarded multiple orders/verbal directions from the Officer and opened the back of the patrol car where the arrested subject was. The relative actively resisted when she was detained. A wrist lock and placement against the patrol car (soft empty hand techniques) stopped the subject (1), hindering the officers. The officer chose to issue a citation in place of a physical arrest. She was released at the scene.

The subject (2) kicking the door from the above incident was taken to the Ingham County Youth Home. At the Youth Home, within the gated grounds, the Officer removed the handcuffs and began walking the subject into the Youth Facility. 2336402411 – On August 25, 2023, at approximately 1235am, Lt Park and Sgt Stemen were on foot patrol near Albert/Grove (Sector 2) when they noticed an extremely intoxicated male acting peculiar by jumping in front of others, slapping a cement barrier over and over, and then falling over onto the sidewalk. The officers made contact and directed the subject to sit on the barrier so he would not fall again (*self-initiated*). The subject did not make much sense and was not accompanied by anyone. Due to the subject's apparent intoxication level and inability to take care of himself, officers called for a medic. Due to the road closure, ELFD medics parked the ambulance at Albert/Ann. The medics asked the subject to walk to the ambulance for evaluation as they initially held his arms for balance. The subject began yelling and screaming and actively began to pull away. Lt. Park and Sgt. Stemen intervened and grabbed the subject's arms while the medics retrieved the cot from the ambulance. Despite de-escalation attempts, the subject continued to pull away actively. Lt. Park and Sgt. Stemen pulled the subject's arms behind him and handcuffed him. The cuffs were double-locked and checked for tightness. Two males continued actively fighting. Stemen deployed his PCA towards those subjects, who broke apart and began fleeing on foot. Stemen chased and attempted to trip one subject. That subject then ran directly into Ofc Horn, who did a hip check type tackle. The subject was then taken into custody without further force. The subject was uninjured. Ofc Horn scrapped up his elbow.

Officers Menser, Wright, and Smith deployed their PCA. Some of the subjects fighting stopped and immediately ran off. At that point, three subjects began actively punching each other. Sgt. Young and Martin deployed their PCA at the subjects. The subjects continued fighting as one subject picked up and body-slammed another subject. The subject then moved forward to further attack the subject that he slammed to the ground. The subject advanced forward, Sgt. Stemen sprayed the subject with an MK9 pepper spray cannister. At that point, all three subjects ran in separate directions. Multiple callers indicated that a man was waving a shotgun around and then updated dispatch that the man had discharged the shotgun, firing multiple rounds. Callers also updated that the subject had taken off running.

When the officers arrived, they immediately located a shirtless and shoeless subject running in the middle of the road on Haslett near Ferndale Rd. He did not have the shotgun with him. Not knowing the full extent of what was happening, officers verbally requested the subject to stop and used handcuffing non-arrest to gain control of the subject. The subject was somewhat complaint, but Officers had to hold him as he acted very erratic. It was later determined that the subject suffered a mental health crisis and was transported by ELFD to Sparrow Hospital for treatment. The shotgun was in the subject's yard. No social worker was available.

When ELPD Officers arrived, they discovered the Meridian Officers had secured the subject with handcuffs, but she was still fighting with officers.

Ofc. Shadduck and Ofc. Cassidy assisted Meridian Township Police in picking her up and transporting her back to Meridian's patrol car. She was kicking and fighting the whole time and had to be carried and put into the Meridian Police Car.

2336402885 - On September 28, 2023, at approximately 7:32 AM. Ofc. Surman, Ofc. Cassidy and Sgt. Hamilton were **dispatched** to the Bailey Street Apartments for a trouble with a subject call. (Sector 2) The caller asked dispatch if she could get a ride home to Flint from the police and the caller was uncooperative and was in some type of argument with a male subject.

When police arrived, they could not locate the caller, so they spoke with the male half in the apartment. The male half and a female cousin indicated that the female caller was out of control, on alcohol, and possibly on other drugs. The female caller returned to the scene while officers were talking to the people in the apartment. She was hysterical and kept repeating herself, saying that the male and her cousin tried to traffic her for money sexually (they claimed to be all related – cousins). She continued talking in a circle and would not provide further information or evidence to support her accusations. The female was yelling, crying, and uncooperative, refusing to provide the required information for a report. She got into Ofc. Cassidy's face: he held his palm out to hold her back. Eventually, she lashed out with active aggression and pushed/body-checked Ofc. Cassidy while in the elevator. Ofc. Surman, Ofc. Cassidy and Sgt. Hamilton used strength and leverage to handcuff her. The subject was arrested for Disorderly Conduct and was transported to the ELPD jail.

At the police station, the female refused to get out of the car at the jail. Ofc. Cassidy and Sgt. Hamilton lifted her out of the car as she used passive resistance, becoming deadweight. Once out of the patrol car, she dropped to the ground, and Cassidy and Sgt. Hamilton had to pick her up. While escorted into the jail by the officers, she kicked the doors. The officers had to control her movement and pull her back. She hit her head on the counter intentionally. Officer Cassidy, Cotton, Stephenson, and Sgt. Hamilton had to control her head and body in the jail as she continued to fight with officers.

Lt. Ojerio ordered that she be put in the restraint chair to prevent injury to herself or the officers. Ofc. Cassidy, JSO DeSmith, Det. Cotton, Det. Stephenson and Sgt. Hamilton assisted in strapping her into the chair. Ofc. Stephenson controlled the back of her head so she would stop banging it on the chair. Sgt. Hamilton held the subject's legs when she began kicking at officers and flailing around

While in jail, she continued with self-harming behavior and said she wished she was dead and would cut her throat. She also said she would choke herself with an IV cord at the hospital. Due to these statements, the ELPD Social Worker was notified, came to the jail, and completed a PRT for the subject.

Because the subject would not de-escalate even after multiple attempts were made by multiple officers and in conjunction with the suicidal threats, ELFD was summoned and transported her to Sparrow for further evaluation.

During the incident the subject mentioned to Sgt. Hamilton that her wrist hurt from the cuffs. Sgt. Hamilton took picks of the subject's wrists but did not observe any injuries.

2336402895 - On September 28, 2023, at approximately 5:31 PM. Ofc. Cassidy, Ofc. Bevier, Ofc. Surman and Sgt. Hamilton were **dispatched** to the Ann St Triangle at Albert and MAC for two males and a female fighting. (Sector 2) The caller advised that the female was yelling at the males. Officers arrived on the scene and located the female yelling and agitated. She did not want anything to do with the police. The males advised officers that the female had stolen a bottle of alcohol from them, and one of them wanted to press charges. When the officers contacted the female with this accusation, she stated that they grabbed her inappropriately. However, she still refused to cooperate with officers in the unarmed robbery investigation. She refused to ID, and even after being told she was not free to go, she actively resisted by pushing Ofc. Bevier and tried to leave.

Officers tried to take her into custody, but she resisted by pulling, pushing, and kicking at officers. Ofc. Cassidy took her to the ground using a PPCT – straight arm bar takedown. Ofc. Surman assisted with a wrist lock, and Ofc. Bevier secured the kicking legs. The female subject was showing dead weight and not complying with getting into the patrol car. Officer Cassidy utilized the jugular notch pressure point, assisting with sitting the subject down in the patrol car.

Multiple witnesses confirmed, and the suspect admitted later that she did take the bottle of alcohol. Another Witness also confirmed that one of the male subjects inappropriately grabbed the buttocks of the female.

Because of the witnesses, the male accused of inappropriate touching (CSC 3rd) was arrested without incident. The female was released, and charges are being sought for unarmed robbery and resisting and obstructing police.

As the officers jogged over(*self-initiated*), one subject, on top of the other, got up and attempted to flee NB through an alley. Officers Smith and Edmondson chased that subject and caught up to him within 50 yards. At that point, Ofc Smith tackled the subject and handcuffed him behind his back without further resistance or force. The subject was not injured by the RTR. Medics evaluated him for a minor nose laceration from the fight. Medics did not transport that subject. He was then lodged at ELPD jail for disorderly conduct. Ofc Surman watched a female linger at the edge of a bar line in the 100 block of Albert (**sector 2**). The female did not move forward as the line advanced, likely because officers were present. Surman told the subject that providing false identification to a liquor establishment is a misdemeanor. The subject told Surman she was just waiting for a friend to come out. Surman left the area. Approximately 10 minutes later, Surman returned and watched as the same subject presented identification and was denied entry to that bar. Surman re-engaged the subject (*self-initiated*) and asked about what had just transpired at the entrance to the bar. As he questioned the subject, she took off running. Within 10 yards, Surman caught up

2336402897 – On October 1, 2023, at 0230am, Officer Andy Ferguson attempted to make a traffic stop (*self-initiated*) on a vehicle at Grand River/Clifton (**sector 3**). The reasons for the stop were suspicious activity (reversing back into a parking ramp away from police) and improper registration. The vehicle was initially slow to stop before pulling over for a short time at Grand River/Clifton. The vehicle then fled northbound on Clifton. Officers Ferguson, Woodruff/Martin opted not to pursue the vehicle and shut off emergency equipment.

However, the vehicle crashed into the curb at Clifton/Marshall, disabling the vehicle. As the crash happened within view of the officers, the officers reapproached the vehicle. The driver exited the vehicle and initially fled on foot behind a house. The driver then circled back toward the vehicle and surrendered to officers holding the other occupants at gunpoint in a felony stop. The driver was directed to walk back towards the officers and then secured in handcuffs. The remaining three occupants were all called out of the vehicle and secured in handcuffs without further resistance or force. A stolen firearm with an extended magazine was located in plain view. The driver was arrested for fleeing and firearms charges. One of the passengers was arrested on a warrant for escape from the youth home. Initially, the subject was cooperative and was willing to go to the hospital. Officer Bennett transported the subject in a patrol car to Sparrow Hospital. On the way to Sparrow, the subject became more agitated and less cooperative. Once at the hospital, Bennett had the subject step out of the patrol car and handcuffed him behind the back to ensure safety throughout the completion of the PRT. 2336403082 – On October 14, 2023, at 7:20 pm, ELPD officers were **dispatched** to a vehicle theft that had just occurred in the 1600 block of Haslett Rd (**sector 1**). Ofc Staci Kole went to the scene and contacted the victim, who indicated that a friend had just located the vehicle and was driving behind it. Kole had the victim put her friend on speakerphone and began directing officers toward the vehicle. The vehicle ended up in Frandor near Homer and Saginaw, where it was ditched in the parking lot on the SE corner. The caller's friend advised that three subjects fled on foot from the vehicle going Southbound. Ofc Jake Jones observed a group of three males walking SE away from where the vehicle had been ditched moments earlier. Jones stopped his patrol vehicle with its activated emergency lights and pulled his duty handgun. Jones held his gun at the low ready toward the group as he gave them commands. The group was cooperative. Lt. Adam Park contacted the victim's friend on-scene and relayed a description of the subjects. Jones quickly realized the group he was out with was not the suspects. He holstered his handgun and released the subjects.

The caller advised her friend's boyfriend was trying to break into the residence and may be carrying a gun. The caller provided a name and description of the subject. Sgt. Chad Stemen was first on the scene and advised other officers that a dark-colored vehicle was leaving the area toward Coolidge. Officer Katelynn Bennett made a traffic stop on the car. Officer Jordan Woodruff held his duty handgun at the low ready while Bennett handcuffed the subject with his hands behind his

They then followed the vehicle NB on Abbot before **self-initiating** a felony stop on Abbot in front of Fire Station #1 (**sector 4**). Once Ofc. Jordan Woodruff and Sgt. The officers went to make contact (**self-initiated**) with one subject who had been actively throwing punches. That subject took off running westbound. Officer Ben Mommersteeg pursued the subject on foot through a parking ramp and around the block. With the assistance of MSP Trooper Piper-Harris, Mommersteeg took the subject into custody in the doorway of a business in the 200 B of Ann. Officer Jordan Woodruff and Trooper Piper-Harris attempted to walk the subject to a patrol car. However, the subject became deadweight and then tried to wrap both of his legs around one of Woodruff's legs to trip him. Woodruff delivered a brachial stun to the subject to get him to release his leg. Woodruff then attempted to place the subject into a patrol car for transport to ELPD jail. The subject continued to resist by placing his legs on the door frame. Officers Ken Smith and Kayla BeVier tried to lower the subject into the backseat of the patrol car while Woodruff went to the opposite side of the vehicle and attempted to pull his legs in. At one point, the subject almost kicked Woodruff in the head while attempting to pull the subject inside the vehicle. He was eventually placed inside, and officers were able to close the doors. 2336403220 – On October 23, 2023, at 7:00 pm, ELPD officers were **dispatched** to a subject who was acting strange and threatening to kill himself. The subject's phone was plotting in the 200 block of W Grand River. Officers checked the area but did not initially locate the subject. At approx. 752pm, a dispatched home invasion came in at an apartment building in the 400 block of Abbot (**sector 3**). The subject entered one apartment and walked around screaming and banging on other doors. The caller provided a description and indicated the subject may have used narcotics. Ofc Jim Menser located the subject in front of the apartment building. The subject began walking away from Menser. Menser displayed his taser and gave the subject verbal commands. The subject stopped, went to the ground, and was handcuffed with his hands behind his back. Sgt Hamilton and Ofc Menser then attempted to search the subject, however, he became dead-weight and refused to roll over or sit up, being passively resistant. While trying to get the subject into the patrol car, the subject braced his feet on the car, including the side and roof.

At that time, officers learned the subject was the one they were searching for on W Grand River. Due to the subject's suicidal threats, erratic behavior, and possible substance use, the subject was transported to Sparrow Hospital for a PRT by ELPD. At the hospital, the subject got up from the wheelchair and reached for the security guard's belt. Sgt. Hamilton had to hold his arms/shoulders to get him back into the chair. Later, he got up again and kicked towards security, and licked a security guard. Sgt. Hamilton again held his arm/shoulder and had to push on his body. The subject spit on a nurse and tried to bite her. Hamilton and Menser held onto his head, arms, shoulders, and body at various points. Once cleared by the nursing staff, the subject was left in Sparrow's custody for the PRT.

Smith placed the second subject under arrest for disorderly conduct without further force as well. The second subject's friend then stood arguing with backup officers that his friend was just defending himself. Ofc Jordan Woodruff was standing behind the friend of subject #2 and observed the outline of the barrel of a handgun and the actual handgun handle protruding from the subject's pant leg near his calf. 2336403265 – On October 27, 2023, at approximately 2:27 PM, Ofc. Wright was **dispatched** to 200 Blk of Oakhill (**Sector 3**) for someone who wanted to turn in suspected narcotics. While talking to the caller, Ofc. Wright wanted to make sure the owner of the pills, a roommate, was okay and to check and see if they had a prescription for the narcotics. She then called ELPD Social Worker Peterson over to assist.

Again, the caller indicated that the pills belonged to a roommate. When Ofc. Wright asked the roommate about the pills, and he became agitated. When Wright informed him that he could not have the drugs back since he could not confirm that he had a prescription for the controlled narcotics. At this time, the roommate became more agitated and threatened self-harm.

Further investigation was completed, and based on statements and recommendations from the mother of the subject, it was determined that the subject be taken to the hospital for a mental evaluation (PRT). Ofc. Wright called for more units due to his agitated state. Ofc. Buike, Ofc. Surman and Sgt. Young arrived on the scene. Ofc. Buike was initially able to de-escalate the subject. However, after trying to talk to the subject for approximately 20 minutes, it was determined that he would not go cooperatively.

Buike and Wright then tried to grab the subject's hands to take him into protective custody. The subject showed active resistance by pulling away and trying to run. Sgt. Young then grabbed the subject by his arm, hooked his leg, and used strength and leverage to pull him to the ground. On the ground, the officers could control the subject, relieving pressure when the subject complied with verbal directions. The subject was handcuffed for protective custody.

Medics were called so the subject could be transported on a cot to the hospital for treatment.

2336403269 – On October 27, 2023, at 8:04 pm, ELPD officers were working a high school football game in the 500 block of Burcham (**sector 2**). Officers heard a commotion behind them and witnessed DK Security and Lansing Schools Police Authority rushing into a large crowd to disperse a fight. The large crowd was between the concession stand and the East Lansing stands. ELPD Officer Chad Buike, Beck Martin, Steve Whelan, Tyler Cassidy, Jake Jones, and Brennan Surman (**self-initiated**) assisted security and school staff. Officers Martin and Buike grabbed one subject who had been part of the fight and escorted him out of the stadium to the West entrance without incident. The subject was not handcuffed; however, he was detained outside the stadium until he could be turned over to a guardian. Another subject that was part of the fight had pushed a security guard as Officers Whelan and Cassidy escorted them out of the stadium. Cassidy hooked the subject's arms behind his back and walked him toward the gate. Cassidy let go of the subject's arms as the subject calmed down. That subject was eventually taken to a patrol vehicle, where he waited (unhandcuffed) until his mom arrived. Once she did, that subject was turned over to his mom.

Ofc Jones observed a third subject who was highly agitated and arguing with an ELHS staff member. Jones noted the subject was screaming profanities and out of control. Jones approached the pair and advised the subject to calm down. The subject continued to scream at the ELHS staffer and ignored Jones. Jones then observed the subject swing his left arm around, nearly striking the ELHS staffer in the face with his elbow. The subject then began to pull away from the ELHS staffer violently. Jones then became concerned for the safety of the ELHS staffer as the subject was not in control of his emotions or actions. Jones then grabbed the subject's left arm and turned him to face the fence a few feet away. When the subject attempted to pull away, Jones pulled the subject's left arm, and Surman pulled the subject's right arm behind his back, where he was handcuffed. Jones and Surman escorted the subject out of the stadium and walked him to a patrol car. Once the subject was calm, Jones removed the handcuffs. Jones spoke with the subject's mom, who indicated releasing him to his aunt was OK. When the aunt arrived, the subject was released to his aunt.

As Woodruff went to turn WB Grand River to investigate (**self-initiated**) if there was a fight or altercation, he heard one gunshot very close to his vehicle. Woodruff contacted dispatch and put out the shot fired. Two subjects flagged him down, indicating that “someone was getting jumped and then a gunshot went off.” The subjects provided Woodruff with a description of the subjects that were fighting and fled from the area as the shot went off. Woodruff located a shell casing in the 300 block of E Grand River and noticed a subject wearing similar clothing to what was described, hunched down next to a door to a business. Woodruff asked the subject if he was shot, and he replied that he was not. The subject appeared to be injured or in a state of shock. Ofc Brittany Monroe and Ofc Katelynn Bennett arrived on the scene and contacted the subject. They handcuffed him with his hands behind his back to safely detain him as he was patted down for a weapon. The subject did not have a gun. 2336403350 – On November 1, 2023, at 3:00 am, Officer Kayla BeVier was **dispatched** to assist the Lansing Police Department (LPD) on Coolidge Rd north of Saginaw (**sector 4**). LPD had a vehicle involved in a hit-and-run traffic crash that fled a traffic stop. LPD was following but not actively pursuing. As BeVier got into the area, LPD was already conducting a felony stop on the vehicle on East Shore near North Shore Dr. BeVier walked up to the passenger side of an LPD patrol car to assist with the felony stop. She unholstered her handgun and kept it at the low ready as a passenger was called out of the car. At that time, BeVier holstered her handgun and placed the passenger in handcuffs. BeVier patted the subject down and detained her in a patrol car until LPD advised that the subject could be released. BeVier then uncuffed the subject and let her know that she was free to go.

2336403424 – On November 8, 2023, at approximately 11:00 AM, officers were **dispatched** to check a subject that was walking around, allegedly trying to harm himself downtown (Sector 2). Officers had prior knowledge of dealing with the subject who, in the past, resisted going to the hospital. At this time, the subject reluctantly agreed to get into the patrol vehicle and requested a ride home.

While Officers were still downtown, the subject's parents informed officers of the statements of self-harm and they were willing to fill out PRT paperwork on him. When the officers notified the subject of the new information and that he would need to be seen by Sparrow, the subject started kicking the door and making statements that he was going to hurt himself. Instead of trying possibly fight with the subject to get him in cuffs in the back of the car, it was decided to drive him in sparrow unhandcuffed.

At Sparrow, the subject continued to kick the door of the patrol vehicle and threaten the officers. Due to his erratic behavior, they decided to put the subject in handcuffs at that time for protective custody for the subject, Hospital staff, and the Officers. This caused the subject to become irate, however after waiting for the subject to calm down OFC. Buike was able to get handcuffs on the subject without any further incident. The subject was turned over to Sparrow staff.

Smith (*self-initiated*) stopped to police the crash and check on the occupants. As Smith pulled up, he saw a subject exit the vehicle from the driver's door and begin running SB towards campus. Nobody else was in or around the vehicle. Smith chased the subject while giving verbal commands identifying himself as a police officer and directing the subject to stop. The subject hid in the bushes before popping out and running back toward Grand River Ave. Smith pulled out his duty taser and pointed it at the subject. As other officers arrived to assist, the subject laid out prone on the ground and was taken into custody without further force. The subject was intoxicated and was taken to Sparrow for a blood draw. BeVier tested and arrested the driver for OWI. Once back at the station, that subject refused to give a breath test sample. BeVier secured a search warrant for blood signed by a judge and then transported the subject to Sparrow. While waiting in the hallway at Sparrow for the phlebotomist, the subject stated he would refuse to get his blood drawn. As the phlebotomist approached him to draw blood, the subject was actively resisting and trying to pull away his arms, move his body away, and kick his legs around. Sparrow Security, BeVier and Hamilton held his legs and arms at various points until the blood draw was complete. 2336403542 – On 11/18/2023 at approximately 11 PM, Officers were **dispatched** to a noise complaint about a specific apartment in the 600 block of Abbot (**Sector 3**). When the initial officers arrived, they located the apartment and determined that a loud party was occurring. They spoke with them and advised them to shut off the music, which the residents complied with.

At 3 AM on 11/19, another neighbor called about the same apartment. They advised that they tried to ask their neighbors to turn the music down previously, and now the people at the party won't even answer their door, instead, they start yelling and screaming when the caller knocks on their door. – When the police arrived this time, the partygoers did not answer the door.

At approximately 5 AM the same caller from 3 am called back to complain about the noise. Shortly after that call, a different resident called to complain that someone had set off the fire extinguisher in the hall below where the party was. Officers again tried to contact people in the apartment, but they refused to answer the door. A citation was issued to the residents, pending service, since they would not answer the door.

Between 5:30 and 7 AM, 5 different neighbors called to complain about the noise, partygoers yelling off the balcony, banging on the reporting parties' doors, and making threats.

Dayshift patrol responds and stands by as one caller/neighbor packs up and leaves her apt for the week due to the noise and harassment. While they wait, there is very loud noise/music, but the partygoers will not answer the door, they turn it down.

The officers waited out of sight at the end of the hall for quite some time. When the partygoers think the police have left, they crank the music back up to full volume. Shortly after that, one of the people in the apartment decides to leave and as he is opening the door, the police make contact. He tries to close the door on the officers, but they force it open and arrest him for hinder obstruction. The officers called into the apartment for the resident to come to the door. Another resident appears in the kitchen area and the officers enter the apartment and arrest him.

The music is still going so an officer enters the apartment and unplugs and stops the music. While in the apartment that officer, locates another male subject in his bed and detains him in handcuffs.

In the end, 2 subjects were arrested, taken to jail, and cited, and the subject located in the bedroom who was unhandcuffed was released at the scene without a citation.

2336403567 – On November 21, 2023, at 10:17 pm, ELPD units were **dispatched** to a home invasion at a residence in the 200 block of Center (**sector 3**). The victims were home at the time and indicated that two subjects entered through a sliding glass door, displayed handguns, and demanded property including wallets, money, phones, and gaming systems. The subjects then fled on foot. When officers arrived on the scene, the victims provided descriptions of the two subjects. A K9 unit was requested from a neighboring jurisdiction, and the track started southbound from the residence. While the track began, officers from the Michigan State Police and Michigan State University Police Department located the two suspects near Michigan and Harrison. One subject initially ran from the MSUPD officer but quickly gave up and was taken into custody without force.

The second subject ran southbound, away from the MSP trooper, and jumped into the Red Cedar River. ELPD Sgt. Jeremy Hamilton and Officer Jake Jones responded to assist in apprehending the second subject. When they arrived, the subject had exited the river and was on an embankment across from the trooper with water between them. Ofc Jones maintained his rifle display from an area of high ground. Sgt. Once other officers provided cover, Hamilton holstered his handgun to help the subject up the embankment, where he was taken into custody.

The first subject was taken to ELPD jail. The second subject (a juvenile) complained of chest pain and was taken to Sparrow Hospital. 2336403676 – On December 4th, 2023, at approximately 11 PM, Officers along with the East Lansing Police Social worker went to a subject's residence on Foxfire in **Sector 4** to pick up the subject on a Court-ordered PRT pick up (self-initiated).

Upon arriving at the residence, the officers and social workers contacted the subject and explained the situation, and the court ordered PRT paperwork for the subject. The Social Worker made attempts, and the subject's father and police tried to get the subject to go voluntarily. After discussing the court order with the subject and the options for traveling to the medical facility for approximately 13 minutes, it was determined that the subject was not willing to go with the officers.

At that time, the subject was ordered to stand up, which he did, and he was handcuffed, to transport him safely to the medical facility by the officers.

2336403735 –On 12/09/2023 at approx. 12:47 PM, ELPD officers were **dispatched** to a weapons complaint at Cambria Dr. (**Sector 1**) The caller advised his baby's mother had pulled a knife on him. The caller advised he was outside, and the suspect was inside with three children. ELPD emergency responded to the scene. Ofc. Shadduck contacted the male caller.

With the information provided that the female suspect was armed with a knife, Sgt. Bennett retrieved a shield from the car, Ofc. Martin had his patrol-issued rifle at the low ready. Ofc. Surman also retrieved a shield & his handgun at the low ready. Before the Officers could knock on the door, the female opened the door holding a cell phone in her hand. She was given commands to step outside with her hands up and to turn around. All of which she complied with.

Ofc. Surman handcuffed the female, she was searched without incident and sat in the back of a patrol vehicle. Ofc. Cassidy was walking up with the less lethal 40 mm launcher as she was being handcuffed.

It was established that there was a domestic relationship between the female and male caller. However, after calling the police, the male half did not want to press charges. The female was only partially cooperative with information but acknowledged that a knife was displayed to get the male to leave.

There was no one to take the three children. The male half was transported elsewhere, the female was released with the children. A report for domestic assault was taken and sent to the Ingham County Prosecutors Office for a review of charges.

This occurred on the weekend, there was no social worker on duty. Additionally, ELPD social workers do not initially respond to weapons complaints.

2336403752 – On December 11, 2023, at 8:50 PM, ELPD units were **dispatched** (felony toned) to an apartment building in the 16000 Blk of Chandler Rd (**sector 5**) for the report of several shots fired (5-10). The caller reported that the subject who resides in the apartment where the gunshots came from had displayed erratic behavior in the past. The caller provided a description of that subject. As officers arrived on-scene, the subject described by the caller was standing out in front of the building smoking a cigarette. Officers held a substantial reactionary gap utilizing vehicles for cover and attempted to call the subject to them. During this time, Officer Jordan Woodruff, Kayla BeVier, and Jeff Horn along with Sgt. Travis Bove all had their patrol rifles pointed towards the subject. PA announcements were even utilized. Still, the subject ignored commands and went back into the building and his own apartment.

Officers utilized an IRSRT negotiator, Ofc Staci Kole, to make phone contact with the subject. Kole spoke to the subject on the phone for over 3 hours. During this time, officers learned about previous officers' encounters with the subject indicating significant mental health issues and substance abuse along with not taking his medication. The occupants of neighboring apartments were evacuated while the investigation continued. During this time, Officer Jake Jones held his patrol rifle pointed towards the window of the subject's apartment providing cover for the evacuating residents and officers. While investigating, officers learned there was a second subject inside the apartment.

MSUPD Ofc Edmondson was able to make phone contact with the second subject and talked him into coming out of the apartment to officers. During that time, officers utilized a ballistic shield and Sgt. Bove and Ofc Ben Mommersteeg had their patrol rifles displayed. That subject was placed in handcuffs by Sgt. Hamilton until he could be identified and checked for weapons. The subject was then released from handcuffs. Once the investigation was complete, it was determined that the first subject used a hammer to strike his door several times while yelling profanities and arguing through the floor at the upstairs resident. This prompted the upstairs residents to believe he had fired off several shots. Other than noise, no crime was committed. The original subject was left inside the apartment. Social Worker Hannah Peterson was on-scene but deferred contact to Ofc Kole who had established a rapport with the subject.

Deputy Chief Pride responded to the scene for Incident Command.

Social Worker Taylor Knickerbocker did follow up with the subject left in the residence and his family the next day.

Additionally, loss prevention advised that the subject had concealed pepper spray and that the subject had used this in the past to flee from contact.

Before arriving on the scene Ofc. Shadduck and Buike, checked the subject in LEIN and located 2 felony warrants for the subject.

Due to the previous history with the subject and his active felony warrants, the Officers contacted the subject in the store.

The subject first tried to provide false ID to the officers. He was handcuffed at that time for the warrants. It was confirmed that he provided a false ID. As the officers were planning to turn the subject over to a neighboring jurisdiction on the warrants, the subject indicated that he had drugs on him when the officers stopped him in the store. He claimed that he had the drugs in his mouth and he swallowed them once he saw the officers in the store.

2336403835 – On December 22, 2023, at 4:12am, ELPD officers were **dispatched** to the 1300 block of Deerpath Ln (*sector I*) for a fight call. The caller advised that they could hear several subjects in the hallway verbally arguing. While officers were enroute, another call was logged where the caller advised the arguing was getting louder and they could hear people talking about killing each other. Ofc Ben Mommersteeg arrived first and could see a group of subjects in the hallway on the second floor, and among them noted a female with a gun in her hand. Ofc Jake Jones arrived as Mommersteeg called into the building for the subjects to come out with their hands up. Several people scattered into apartments including the subject with the firearm. Jones and Mommersteeg remained outside the exterior door both with their duty handguns displayed and pointed up at the 2nd floor. Two females and a male came out within moments of officers making announcements. However, the subject who had the gun did not come out.

Officers from Meridian Township PD and MSUPD were requested to assist with a perimeter. Once additional units arrived on the scene and set up containment, officers moved to the top of the stairs. Other witnesses on-scene indicated that subjects from a specific apartment were related. Once officers were at the top of the stairs, a male subject exited the apartment that witnesses pointed out as potentially being involved. Sgt Travis Bove had the ballistic shield out and Ofc Jones had his duty handgun displayed as the subject was called back to officers. Once the subject reached officers, Jones holstered his handgun and detained the subject in handcuffs. Once it was determined that the subject was not armed, the handcuffs were removed. Consent was given to check his apartment for the female that had the gun. There was an airsoft gun in the apartment and an open slider porch door, but no female was inside.
